## **Paul Langan Biography:**

*Integrating African American Literature in the Library and Classroom* Dorothy Littlejohn Guthrie, 2011-09-14 In this book African American literature is illuminated through a project based curriculum that incorporates national curriculum standards It is important that the school curriculae be representative of the diversity of the American student population Integrating African American Literature in the Library and Classroom is designed to help teachers and librarians achieve that goal The book recommends and annotates more than 200 titles that touch on African American life from slavery through the present time most of them by black authors and many of them winners of the Coretta Scott King Caldecott and or Newbery awards This guide offers cross curricular lesson plans for grades K 12 Each chapter identifies areas in which instructional attention is most needed to help students develop a greater appreciation for diversity perseverance and ethnicity Examples and ideas for activities are offered to reinforce related concepts With this book teachers and librarians will be better able to motivate and inform helping students discover the richness of African American culture now and through time Through the Eyes of the Pack Lorenzo Currie, 2013-11 This is the real deal now I am not trying to persuade anyone or change their minds I am simply telling the truth This is The inside on the forgotten and taboo cultural history and the forgotten art of respect for one another and the inside views and explanations of people of mixed heritages and their life encounters how other ethnic groups treat one another and how they think of other groups in society The ugly truth about man and prejudice as well as how to love and accept other cultures what to do with your mixed child s hair and skin care products as well as important people in each of the main cultures of whites blacks Asians Native Americans and Hispanics People you never heard of that made great contributions to our present day world as well as women who against the odds of man contributed greatly to our present day society Women who were told not to do so but they did it with determination and courage Experience the hidden secret of each culture that can only be shared and protected by that culture as a group A glossary of the meanings of words in the book as well as every ethnic derogatory word from A to Z *Catholicism: A Global History from the French Revolution to Pope Francis* John T. McGreevy, 2022-09-06 A magisterial history of the centuries long conflict between progress and tradition in the world s largest international institution The story of Roman Catholicism has never followed a singular path In no time period has this been more true than over the last two centuries Beginning with the French Revolution extending to the Second Vatican Council in the 1960s and concluding with present day crises John T McGreevy chronicles the dramatic upheavals and internal divisions shaping the most multicultural multilingual and global institution in the world Through powerful individual stories and sweeping birds eye views Catholicism provides a mesmerizing assessment of the Church s complex role in modern history both shaper and follower of the politics of nation states both conservator of hierarchies and evangelizer of egalitarianism McGreevy documents the hopes and ambitions of European missionaries building churches and schools in all corners of the world African Catholics fighting for political and

religious independence Latin American Catholics attracted to a theology of liberation and Polish and South Korean Catholics demanding democratic governments He includes a vast cast of riveting characters known and unknown including the Mexican revolutionary Fr Servando Teresa de Mier Daniel O Connell hero of Irish emancipation Sr Josephine Bakhita a formerly enslaved Sudanese nun Chinese statesman Ma Xiaobang French philosopher and reformer Jacques Maritain German Jewish philosopher and convert Edith Stein John Paul II Polish pope and opponent of communism Gustavo Guti rrez Peruvian founder of liberation theology and French American patron of modern art Dominique de Menil Throughout this essential volume McGreevy details currents of reform within the Church as well as movements protective of traditional customs and beliefs Conflicts with political leaders and a devotional revival in the nineteenth century the experiences of decolonization after World War II and the Second Vatican Council in the twentieth century and the trauma of clerical sexual abuse in the twenty first all demonstrate how religion shapes our modern world Finally McGreevy addresses the challenges faced by Pope Francis as he struggles to unite the over one billion members of the world s largest religious community

**Finding her wings** Tylia L. Flores,2012-12-07 *Pillars in the History of Biblical Interpretation, Volume 2* Stanley E. Porter,Sean A. Adams,2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed

**Rethinking British Romantic History, 1770-1845** Porscha Fermanis,John Regan,2014-11-27 Historians and literary scholars tend to agree that British intellectual culture underwent a fundamental transformation between 1770 and 1845 Yet they are unusually divided about the nature of that transformation and whether it is best understood as an epistemic rupture from or a continuous dialogue with the long eighteenth century Rethinking British Romantic History 1770 1845 rethinks the ways in which we understand the historical writing and the historical consciousness of late eighteenth and early nineteenth century Britain by arguing that British historicism developed largely in quasi and para historical genres such as memoir biography verse fiction and painting rather than in works of real history In a number of inter related essays on changing generic forms styles

methods and standards the collection demonstrates that the aesthetic developments associated with British literary Romanticism not only intersected in mutually dependent ways with concurrent experiments and innovations in historical writing but that these intersections forced an epistemological crisis a deeply felt tension about the role of feeling and imagination in historical writing that is still resonating in historiographical debates today In exploring this theme the volume also seeks to consider wider questions about the philosophy of history and literature including questions of truth evidence professionalization disciplinary strategies and methodology At its heart is the idea that literary texts and other artistic representations of history can have historical value and should therefore be taken seriously by practitioners of history in all its forms
