Passion Is Loves Poetry

Pasquale De Marco

Passion Is Loves Poetry:

Passion Is Love's Poetry Kaiserrific,2012-10-01 Passion Is Love's Poetry is taken from the notebooks of Kaiserrific's personal collection of poems In this book he explains the story of how love crossed the paths between passion and poetry With passion representing the female and poetry representing the male as they both explore the deep meaning of love with one another Each one of these poems you will share a liking to and possibly you will relate and in doing so explore the true meaning of their love Love as Passion Niklas Luhmann,2014-12-08 In this important book Niklas Luhmann one of the leading social thinkers of the late 20th century analyses the emergence of love as the basis of personal relationships in modern societies He argues that while family systems remained intact in the transition from traditional to modern societies a semantics for love developed to accommodate extra marital relationships this semantics was then transferred back into marriage and eventually transformed marriage itself Drawing on a diverse range of historical and literary sources Luhmann retraces the emergence and evolution of the special semantics of passionate love that has come to form the basis of modern forms of intimacy and personal relationships This classic book by Luhmann has been widely recognized as a work of major importance It is an outstanding contribution to social theory and it provides an original and illuminating perspective on the nature of modern marriage and sexuality **Love, Lust, and Loss** Claudacious Shakespeare,2016-02-12 My poetry and short stories will take you on a journey and give you a brief look into my life Everything I write is from the heart and is inspired by personal experiences Love speaks of the love that has filled my heart Lust speaks of the many temptations seductions and emotions that stimulate the body And loss speaks of the hurt that can be brought on by love or feelings of lack thereof The short stories of passion allowed me to delve into my creative side The many days I sat daydreaming and wondering what if are now out of my head and on paper Often we fantasize but we keep our fantasies to ourselves This allows me to explore those passions outside of a mere daydream Love Lust and Loss reflects life experiences and everything in between My book takes a look into every aspect of every emotion that love and loss of love elicits I hope that what I write inspires you to feel something you've never felt reminds you of a love from your past present or future and allows you to see that you are not alone in your emotions The Poetry of Robert Browning Stopford A. Brooke,2019-09-25 Reproduction of the original The Poetry of Robert Browning by Stopford A Brooke *Passions of Love and Life* Lewis Barnhart,2004-08 This book is to share the visions of love life and passion with poetry and prose It is for the passionate heart that burns like fire and the tender lover that moves as gentle as a butterfly but is as direct and deliberate as Cupid's arrow Come share the passion and warmth that inspires new love to float on a cloud **Passionate Intelligence: The Poetry of Geoffrey Hill** E.M. Knottenbelt,2022-07-18 **The Love Poetry of Francisco de Quevedo** Julian Olivares,1983-05-26 This study of the poetry of Francisco de Quevedo combines a stylistic analysis with a philosophical interpretation in the broad sense *The English Review* ,1911 Classical Love Poetry Dr. Jonathan Williams,Clive Cheesman,2004 This lovely book pairs selections of

translated Greek and Roman verse from Homer Sappho Virgil Horace and Ovid among others with fine examples of paintings sculpture vases and decorative objects The excerpts which cover the period from the eighth century B C to the early Middle Ages were chosen from famous works such as Homer s Iliad as well as less well known pieces such as the writings of the Greek poet Ibycus This book demonstrates that the human preoccupation with love in all its forms has inspired writers for millennia from the expression of enduring faithfulness and familial affection in Homer s description of Hector and Andromache to the passionate intensity portrayed by the later Greek lyric poets and the light hearted depiction of love as a lost little boy by the anonymous authors of the Inacreonteia The book includes a brief introduction to Greek and Roman views on love and marriage a short biographical note on each of the major poets and a glossary of mythical and geographical names

A Companion to Pablo Neruda Jason Wilson,2014-08 Pablo Neruda was without doubt one of the greatest poets of the twentieth century but his work is extremely uneven There is a view that there are two Nerudas an early Romantic visionary and a later Marxist populist who denied his earlier poetic self By focussing on the poet s apprenticeship and by looking closely at how Neruda created his poetic persona within his poems this Companion tries to establish what should survive of his massive output By seeing his early work as self exploration through metaphor and sound as well as through varieties of love and direct experience the Companion outlines a unity behind all the work based on voice and a public self Neruda s debt to reading and books is studied in depth and the change in poetics re examined by concentrating on the early work up to *Residencia en la tierra* I and II and why he wanted to become a poet Debate about quality and representativity is grounded in his Romantic thinking sensibility and sincerity Unlike a Borges or a Paz who accompanied their creative work with analytical essays Neruda distilled all his experiences into his poems which remain his true biography Jason Wilson is Professor Emeritus in the Department of Spanish and Latin American Studies University College London
