Martin Slattery

Passiondolls:

The New Sociology of Ageing Martin Slattery, 2021-11-29 The New Sociology of Ageing explores the challenges and opportunities of ageing as a global force. Alongside globalisation, urbanisation, new technology, climate change and global pandemics, ageing is transforming life in the twenty-first century. Through the eyes of a young sociology student and her multigenerational family, this book sets out a new sociological framework to interpret ageing societies. It explores how the New Old, the baby boomer generation, might be mobilised as an agency of social change in transforming later life. It proposes this generation as the co-architects of a new intergenerational social contract for the era ahead, rather than as the recipients of a post-war twentieth-century social contract that society can no longer support. Taking Britain as a case study and societies across the world as examples, Slattery explores emerging revolutions in work and retirement, potential crises in pensions, healthcare and housing, as well as transformations in family life and in our attitudes to sex and death in later life. This book provides a clear overview of the sociology of ageing. It introduces students to demography as a sociological force of the future and to the perils and the promises of longevity as societies across the world approach the Hundred Year Life. This book will be of interest to undergraduate students and early scholars in the social sciences, particularly in sociology, gerontology, social policy and public health.

THE AGEING OF GREAT BRITAIN Martin Slattery, 2019-11-19 Great Britain is ageing but doesn't seem to know it. Despite numerous warnings from official reports, the Government has ignored or neglected the car crashes ahead. Our Health: the potential for a New Age manifesto that might propel Ageing up the political agenda, create a new Intergenerational Social Contract and force the government to plan ahead for the 100 Year Life, now facing over a third of all children born today. If the Japanese, the Scandinavians and the Bolivians can do it, why not Great Britain? We owe that to our children and to the generations ahead. Welcome to the Ageing World of the 21st Century. **Oye Como Va!** Deborah Pacini Hernandez, 2010 Latino music as an amalgam of American cultures. **New Woman**, 1995 *Barbie Exclusives, Book II* Margo Rana, 1996 Barbie collectors have anxiously anticipated the companion volume to Rana's enthusiastically received first Barbie Exclusives book. This volume is of particular interest because it features Dolls of the World, Festival Dolls and more of the customized exclusives that have been released to date. Over 300 stunning color photos complement the informative text.

Crafting for Dollars Sylvia Landman, 1996 Discusses how to start, set up, maintain and expand a successful craft business. **Il libro di Vitruvio architecto tradotto di Latino in lingua et sermone proprio et volgare da Fabio Calvo, Ravenate - BSB Cod.ital. 37** ca. v.1. Jh Vitruvius, 1500 **Il gatto Ragdoll. Manuale di istruzioni: origine, caratteristiche, cure** Giovanna Lanciani, 2016-09-15 Che cos'è questo libro? Un manuale. Un saggio. Una monografia. S'certo tutto questo, ma non solo: un'avventura, un viaggio, una guida alla scoperta di quell'essere meraviglioso che si chiama Ragdoll, razza felina di straordinaria bellezza. L'autrice, comportamentista ed esperta in allevamento, ne descrive non solo le caratteristiche estetiche e comportamentali, ma anche la sua storia avvincente e leggendaria. Una parte della pubblicazione

rivolta ai pi esperti con cenni alla genetica della razza e indicazioni per riconoscerne colori e tipologie Alcuni capitoli aiutano nella scelta del cucciolo nella sua cura nell alimentazione nella profilassi sanitaria e in tutti i preparativi per accoglierlo in casa e farlo vivere al meglio Un album finale di foto da sfogliare e da condividere vi immerger completamente nel magico mondo di grazia ed eleganza di uno dei pi affascinanti animali del creato
