Pastor Chris Oyakhilome The Believers Authority:

Living a Triumphant Life Abel Jimmy, 2024-09-10 It is very important for believers to know that living victoriously on a daily basis is our inheritance because the Scripture says in all these things we are more than conquerors Romans 8:38 It is one thing to confess that you are more than a conqueror it is another thing to walk in the light of it to make life more fulfilling for you Living a triumphant life points believers to focus on the various requirements that are necessary to be victorious in every aspect of their lives For ministers who desire to demonstrate the power of God and to have a successful ministry the book elaborates on the necessity of knowing who the Holy Spirit is and His work in the life of every believer John said we have an unction and the anointing abides in you 1 John 2:20-27 He was the one that anointed Jesus and the apostles to perform great signs and wonders As the greater one abiding in us knowing and depending on Him will make life exciting Speaking of the Holy Spirit the book went in depth on how the Holy Spirit manifests his gifts in the life of every believer to show forth the mightiness of God who always causes us to triumph in Christ Jesus and over all the power of darkness To live a triumphant life demands that you know how to enforce the victory of Christ over the devil in your daily life Reading this book will give you an understanding of how to exercise your authority over Satan in the name of Jesus and to give up fear which has torment for faith which is also a necessity to be triumphant It also deals with angels who are our messengers sent forth to do something for us when we tell them to You will never benefit from what you don't know but when you know it will become a blessing to you **Join This Chariot** Chris Oyakhilome, 2007

Innovation and Competition in Zimbabwean Pentecostalism Ezra Chitando, 2021-01-28 Using the concept of a religious market this volume explores how African Traditional Religions and churches within Prophetic Pentecostalism in Zimbabwe seek to attract and retain members and clients Chapters provide extensive coverage of two of the leading churches namely Emmanuel Makandiwa's United Family International Church UFIC and Walter Magaya's Prophetic Healing and Deliverance Ministries PHD Contributors also explore the strategies adopted by Pentecostalism in general while others focus on African Traditional Religions They show that although Prophetic Pentecostalism has gained a significant share of the market in Zimbabwe and in Southern Africa in general it is not without controversy In particular it has been associated with the abuse of women and exploiting members and clients for financial gain Innovation and Competition in Zimbabwean Pentecostalism is an important contribution to understanding the marketization of religion **The Prosperity Gospel in Africa** Marius Nel, 2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its

potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth

Religion and Social Marginalization in Zimbabwe Togarasei, Lovemore, Bishau, David, Chitando, Ezra, 2020-07-13 Marginalization means being disregarded ostracized harassed disliked persecuted or generally looked down upon Marginalized people often include women and children the poor the disabled sexual religious or ethnic minorities refugees The marginalized are those who are socially politically culturally or economically excluded from main stream society In history the Church in Zimbabwe has played a role in improving the lives of the marginalized but what is religion especially Christianity doing for the marginalized now Although religion is also implicated in marginalisation the contributions in this volume did not address this angle as they focused on the role that religion can and should play to fight marginalization The chapters come from two conferences 2012 2014 that were held under the flag of ATISCA The contributions have been updated to include later developments and publications

The African Church and COVID-19 Patrick Musembi, Joseph Muutuki, Martin Munyao, Daniel Kaunga, 2022-01-21 The African Church and COVID 19 Human Security the Church and Society in Kenya is a bold and incisive look at the African Church in light of the COVID 19 pandemic Throughout the book contributors explore how the COVID 19 pandemic exposed the fragilities of African society as well as the weaknesses in the Church's role in helping and serving African communities The African Church and COVID 19 analyzes the question of how the Church in Kenya should move forward in a post COVID 19 era to address the vulnerabilities of socio economic and political structures in Africa

Tell, 2002

The Future Shape of Christian Proclamation Cleophus J. LaRue, Luiz C. Nascimento, 2020-08-03 Christianity is turning brown and moving south The Christianity the West has known is in recession and has all but dwindled out of recognition in the opening years of the twenty first century Well over half of the world's Christians now live in the Global South Africa Asia and Latin America They are according to Aberdeen missiologist Andrew Walls the new Representative

Christians What they think about Christianity will matter more and more and what North America thinks about Christianity will matter less and less This massive shift in geography and theological point of departure will have a major impact on Christian preaching now and into the future The Future Shape of Christian Proclamation seeks to begin the conversation about how preaching in the Global South will inform the whole of Christian preaching in the coming years

Powerful Devices Abimbola Adunni Adelakun,2022-10-14 Powerful Devices studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge and establishing righteousness in their stead Drawing on performance studies emphasis on radicality and breaking of social norms as devices of social transformation the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism Combining religious studies with ethnography Powerful Devices explores Nigerian Pentecostals and US Evangelicals praxis of transnational spiritual warfare By closely studying spiritual warfare prayers as a device Powerful Devices shows how the rituals of prayer enable an apprehension of time paradigms of self enhancement and the subversion of politics and authority A critical intervention Powerful Devices explores charismatic Christianity s relationship to science and secular authority technology and temporality neoliberalism and reactionary ideology

The Believer's Authority George Mfula ,2022-03-14 The Believer s Authority is a book worth reading It provides powerful insights into the power and authority that a child of God has in redemption Every child of God no matter the race age or educational background is entitled to authority in Christ Jesus However the major hindrance to walking in that authority is basically ignorance or sin Without doubt the believer s authority in Christ Jesus can stop all satanic operations in any generation or environment However it will take accurate and sufficient understanding to activate it in your own life Understanding determines your spiritual height and command The devil will take advantage of you if you lack understanding There is no force of darkness that can stand the authority in the mouth of a believer It is time to get back to your covenant roots of redemption and let every devil give way to your glorious destiny I pray as you read this book your life won t be the same Get this book and let your light in Christ Jesus shine so that you will walk in supernatural dominion over every devil and demon
