

PATRIOTS

THE
VIETNAM WAR
REMEMBERED
FROM ALL SIDES

CHRISTIAN G. MURPHY

"One of the best books on the
Vietnam War... it's a must-read
for anyone who wants to
understand the war."
— *The New York Times*

Patriots The Vietnam War Remembered From All Sides

S Ben Porath

Patriots The Vietnam War Remembered From All Sides:

Patriots Christian G. Appy, 2004-09-28 Intense and absorbing If you buy only one book on the Vietnam War this is the one you want Chicago Tribune Christian G Appy s monumental oral history of the Vietnam War is the first work to probe the war s path through both the United States and Vietnam These vivid testimonies of 135 men and women span the entire history of the Vietnam conflict from its murky origins in the 1940s to the chaotic fall of Saigon in 1975 Sometimes detached and reflective often raw and emotional they allow us to see and feel what this war meant to people literally on all sides Americans and Vietnamese generals and grunts policymakers and protesters guerrillas and CIA operatives pilots and doctors artists and journalists and a variety of ordinary citizens whose lives were swept up in a cataclysm that killed three million people By turns harrowing inspiring and revelatory Patriots is not a chronicle of facts and figures but a vivid human history of the war A gem of a book as informative and compulsively readable as it is timely The Washington Post Book World

Patriots Christian G. Appy, 2003 An oral history of the Vietnam war in both the United States and Vietnam features first hand accounts of how the war was experienced by soldiers policy makers protesters operatives doctors artists and journalists in an account that includes contributions by such figures as Oliver Stone James Brown and Alexander Haig 40 000 first printing

Patriots Christian G. Appy, 2003 *The Vietnam War* Karen Bush Gibson, 2020-02-04 The Vietnam War sparked one of the most controversial periods in American History Although Vietnam had been fighting for its independence for thousands of years the United States didn t enter the picture until the 1950s Increasing tensions between North and South Vietnam officially brought the U S into the war in 1964 At the same time a military draft was instituted People struggled to understand the role of the U S in Vietnam Americans began learning more about the Vietnam War through television As the first televised war Americans were treated to horrific scenes with their evening news Popular magazines and newspapers published the effects of battle on their front pages These images added to the antiwar sentiment Meanwhile three million U S troops faced constant danger in a war eventually determined to be unwinnable After more than 58 000 American soldiers were killed the U S finally pulled out of Vietnam in 1973 and South Vietnam fell in 1975 The effects of the war would last much longer Book jacket

Voices of a People's History of the United States Howard Zinn, Anthony Arnove, 2011-01-04 Here in their own words are Frederick Douglass George Jackson Chief Joseph Martin Luther King Jr Plough Jogger Sacco and Vanzetti Patti Smith Bruce Springsteen Mark Twain and Malcolm X to name just a few of the hundreds of voices that appear in *Voices of a People's History of the United States* edited by Howard Zinn and Anthony Arnove Paralleling the twenty four chapters of Zinn s *A People's History of the United States* *Voices of a People's History* is the long awaited companion volume to the national bestseller For *Voices* Zinn and Arnove have selected testimonies to living history speeches letters poems songs left by the people who make history happen but who usually are left out of history books women workers nonwhites Zinn has written short introductions to the texts which range in length from letters or

poems of less than a page to entire speeches and essays that run several pages

Voices of a People's History is a symphony of our nation's original voices rich in ideas and actions the embodiment of the power of civil disobedience and dissent wherein lies our nation's true spirit of defiance and resilience

Voices from the Vietnam War Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war

Booklist The Vietnam War's influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one-sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war

Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War* Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty-two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti-Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war's events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long-discussed topic Li's achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English

Publishers Weekly *A Companion to the War Film* Douglas A. Cunningham, John C. Nelson, 2016-03-28 *A Companion to the War Film* contains 27 original essays that examine all aspects of the genre from the traditional war film to the new global nature of conflicts and the diverse formats that war stories assume in today's digital culture Includes new works from experienced and emerging scholars that expand the scope of the genre by applying fresh theoretical approaches and archival resources to the study of the war film Moves beyond the limited confines of the combat film to cover home front films international and foreign language films and a range of conflicts and time periods Addresses complex questions of gender race forced internment international terrorism and war protest in films such as *Full Metal Jacket* *Good Kill* *Grace is Gone* *Gran Torino* *The Messenger* *Snow Falling on Cedars* *So Proudly We Hail* *Tae Guk Gi* *The Brotherhood of War* *Tender Comrade* and *Zero Dark Thirty* Provides a nuanced vision of war film that brings the genre firmly into the 21st Century and points the way for exciting future scholarship

America in the World Frank Costigliola, Michael J. Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians Some of the essays offer sweeping overviews of the major trends in the field of foreign international relations history Others survey the literature on US relations with particular

regions of the world or on the foreign policies of presidential administrations The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field **Vietnam** John Prados, 2009-04-21 The Vietnam war continues to be the focus of intense controversy While most people liberals conservatives Democrats Republicans historians pundits and citizens alike agree that the United States did not win the war a vocal minority argue the opposite or debate why victory never came attributing the quagmire to everything from domestic politics to the press The military never lost a battle how then did it not win the war Stepping back from this overheated fray bestselling author John Prados takes a fresh look at both the war and the debates about it to produce a much needed and long overdue reassessment of one of our nation s most tragic episodes Drawing upon several decades of research including recently declassified documents newly available presidential tapes and a wide range of Vietnamese and other international sources Prados s magisterial account weaves together multiple perspectives across an epic sized canvas where domestic politics ideologies nations and militaries all collide Prados patiently pieces back together the events and moments from the end of World War II until our dispiriting departure from Vietnam in 1975 that reveal a war that now appears to have been truly unwinnable due to opportunities lost missed ignored or refused He shows how from the Truman through the Eisenhower Kennedy Johnson and Nixon administrations American leaders consistently ignored or misunderstood the realities in Southeast Asia and passed up every opportunity to avoid war in the first place or avoid becoming ever more mired in it after it began Highlighting especially Ike s seminal and long lasting influence on our Vietnam policy Prados demonstrates how and why our range of choices narrowed with each passing year while our decision making continued to be distorted by Cold War politics and fundamental misperceptions about the culture psychology goals and abilities of both our enemies and our allies in Vietnam By turns engaging narrative history compelling analytic treatise and moving personal account Prados s magnum opus challenges previous authors and should rightfully take its place as the most comprehensive up to date and accurate one volume account of a war that judging by the frequent analogies to the current war in Iraq has not yet really ended for any of us *Historical Dictionary of the War in Vietnam* Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible *Historical Dictionary of the War in Vietnam* emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic

political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War **Ideologies of Forgetting** Gina Marie Weaver,2012-02-01 Rape has long been a part of war and recent conflicts in Bosnia Rwanda and Darfur demonstrate that it may be becoming an even more integral strategy of modern warfare In contrast to the media attention to sexual violence against women in these recent conflicts however the incidence and consequences of rape in the Vietnam War have been largely overlooked Using testimony oral accounts literature and film *Ideologies of Forgetting* focuses on the rape and sexual abuse of Vietnamese women by U S soldiers during the Vietnam war and argues that the erasure and elision of these practices of sexual violence in the U S popular imagination perpetuates the violent masculinity central to contemporary U S military culture Gina Marie Weaver claims that recognition of this violence is important not just for an accurate historical record but also to truly understand the Vietnam veteran s trauma which often stems from his aggression rather than his victimization **Public Humanities** Molly Todd,Jason E Cohen,2025-12-01 Engaged public scholarship is transforming the humanities Divided into four parts this provocative volume examines historical and contemporary sites of education and pedagogy challenges dominant narratives about certain symbolic sites in the United States and across the Americas highlights the struggle of marginalized communities as they wrestle to rewrite individual and collective memories of violence and trauma and features public humanities projects that address themes relating to place and environment Each chapter is concerned with the importance of personal relationships in educational settings power relations in public humanities projects and the nurturing of new civic spaces and places This volume makes an important contribution to timely debates about public facing and publicly engaged scholarship especially in the humanities **Vietnam** George Donelson Moss,2016-07-01 This book provides a comprehensive narrative history of U S involvement in Southeast Asia from 1942 to 1975 with a concluding section that traces U S Vietnam relations from the end of the war in 1975 to the present Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed Key topics The Fall of Saigon The End as Prelude Vietnam A Place and A People The Elephant and the Tiger An Experiment in Nation Building Raising the Stakes Going to War The Chain of Thunders The Year of the Monkey A War to End a War The End of the Tunnel Market For anyone curious to know about the long American involvement in Southeast Asia 1942 1975 **The ^ADragon in the Jungle** Xiaobing Li,2020-01-02 This book covers the chronological development and operational experience of the Chinese Army s intervention in the Vietnam War against the U S in 1968 1973 Based on communist sources

and interviews it examines China's intentions, decision making, war preparation, training, battle plan, and execution, tactical problem solving, political indoctrination, and combat assessment

No Sure Victory Gregory A. Daddis, 2011-06-01 In *No Sure Victory*, Army officer and historian Gregory Daddis looks deep into the Army's techniques for measuring military success in Vietnam and presents a much more complicated and disturbing account of the American misadventure in Indochina. Daddis shows how the US Army adopted a massive and eventually unmanageable system of measurements and formulas to track the progress of military operations that ranged from pacification efforts to search and destroy missions. Concentrating more on data collection and less on data analysis, these indiscriminate attempts to gauge success may actually have hindered the army's ability to evaluate the true outcome of the fight at hand, a roadblock that Daddis believes significantly contributed to the many failures that American forces suffered in Vietnam. Filled with incisive analysis and rich historical detail, *No Sure Victory* is not only a valuable case study in unconventional warfare but a cautionary tale that offers important perspectives on how to measure performance in current and future armed conflict.

The Tragedy of U.S. Foreign Policy Walter A. McDougall, 2018-11-22 A fierce critique of civil religion as the taproot of America's bid for global hegemony, Pulitzer Prize winning historian Walter A. McDougall argues powerfully that a pervasive but radically changing faith that God is on our side has inspired U.S. foreign policy ever since 1776. The first comprehensive study of the role played by civil religion in U.S. foreign relations over the entire course of the country's history, McDougall's book explores the deeply infused religious rhetoric that has sustained and driven an otherwise secular republic through peace, war, and global interventions for more than two hundred years. From the Founding Fathers and the crusade for independence to the Monroe Doctrine through World Wars I and II and the decades-long Cold War campaign against godless Communism, this coruscating polemic reveals the unacknowledged but freely exercised dogmas of civil religion that bind together a God-blessed America sustaining the nation in its pursuit of an ever-elusive global destiny.

Withdrawal Gregory A. Daddis, 2017-09-01 In a riveting sequel to his celebrated *Westmoreland's War*, Daddis offers a bold new interpretation of America's first lost war. Upending myths of a better war that led to victory in Vietnam, *Withdrawal* is required reading for anyone hoping to understand the final years of American intervention in Southeast Asia.

Vietnam's Southern Revolution David Hunt, 2008 The author uses released RAND interviews with Viet Cong defectors and prisoners of war and past work involving the province of M Tho to create a more up-to-date social framework for the Vietnam War at the village level.

Honorable Exit Thurston Clarke, 2020-03-24 A MAIN SELECTION OF THE MILITARY BOOK CLUB A groundbreaking revisionist history of the last days of the Vietnam War that reveals the acts of American heroism that saved more than one hundred thousand South Vietnamese from communist revenge. In 1973, U.S. participation in the Vietnam War ended in a cease-fire and a withdrawal that included promises by President Nixon to assist the South in the event of invasion by the North. But in early 1975, when North Vietnamese forces began a full-scale assault, Congress refused to send arms or aid. By early April that year, the South was on the brink of a defeat.

that threatened execution or years in a concentration camp for the untold number of South Vietnamese who had supported the government in Saigon or worked with Americans Thurston Clarke begins *Honorable Exit* by describing the iconic photograph of the Fall of Saigon desperate Vietnamese scrambling to board a helicopter evacuating the last American personnel from Vietnam It is an image of U S failure and shame Or is it By unpacking the surprising story of heroism that the photograph actually tells Clarke launches into a narrative that is both a thrilling race against time and an important corrective to the historical record For what is less known is that during those final days scores of Americans diplomats businessmen soldiers missionaries contractors and spies risked their lives to assist their current and former translators drivers colleagues neighbors friends and even perfect strangers in escape By the time the last U S helicopter left Vietnam on April 30 1975 these righteous Americans had helped to spirit 130 000 South Vietnamese to U S bases in Guam and the Philippines From there the evacuees were resettled in the U S and became American citizens the leading edge of one of America s most successful immigrant groups Into this tale of heroism on the ground Clarke weaves the political machinations of Henry Kissinger advising President Ford in the White House while reinforcing the delusions of the U S Ambassador in Saigon who at the last minute refused to depart Groundbreaking page turning and authoritative *Honorable Exit* is a deeply moving history of Americans at a little known finest hour *American Foreign Relations Since 1898* Jeremi Suri, 2010-04-26

This volume brings together more than 50 documents which examine foreign policy not only in terms of leaders and states but also through social movements cultures ideas and images to provide comprehensive understanding of how Americans have interacted with the wider world since 1898 Draws together over 50 primary documents to give readers a first hand account of the people and events that shaped the foreign policy of the United States Incorporates documents relating not only to leaders and states but also to social movements cultures ideas and images Highlights the diverse range of contributors to debates about American foreign policy from presidents to protesters students to singers Includes a comprehensive introduction to the subject and headnotes for each document written by the editor as well as a bibliography for further study

Patriots The Vietnam War Remembered From All Sides Introduction

In the digital age, access to information has become easier than ever before. The ability to download Patriots The Vietnam War Remembered From All Sides has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Patriots The Vietnam War Remembered From All Sides has opened up a world of possibilities.

Downloading Patriots The Vietnam War Remembered From All Sides provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Patriots The Vietnam War Remembered From All Sides has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Patriots The Vietnam War Remembered From All Sides. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Patriots The Vietnam War Remembered From All Sides. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Patriots The Vietnam War Remembered From All Sides, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Patriots The Vietnam War Remembered From All Sides has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Patriots The Vietnam War Remembered From All Sides Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Patriots The Vietnam War Remembered From All Sides is one of the best book in our library for free trial. We provide copy of Patriots The Vietnam War Remembered From All Sides in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Patriots The Vietnam War Remembered From All Sides. Where to download Patriots The Vietnam War Remembered From All Sides online for free? Are you looking for Patriots The Vietnam War Remembered From All Sides PDF? This is definitely going to save you time and cash in something you should think about.
