## **Paul And Empire Religion And Power In Roman Imperial Society:**

**Paul and Empire** Richard A. Horsley, 1997-11-01 Over the centuries Paul has been understood as the prototypical convert from Judaism to Christianity At the time of Paul's conversion however Christianity did not yet exist Moreover Paul says nothing to indicate that he was abandoning Judaism or Israel He in fact understood his mission as the fulfillment of the promises to Israel and of Israel's own destiny In brief Paul's gospel and mission were set over against the Roman Empire not Judaism

*Paul and the Roman Imperial Order* Richard A. Horsley, 2004-01-01 The five articles and Simon Price's response at the core of this book were originally papers delivered in a session of the Paul and Politics Group at the 2000 SBL Annual Meeting There are a number of special features that make this a special combination of articles on Paul in what is turning out to be a highly suggestive new perspective and context the ancient Roman imperial order First these articles are all informed by and respond in some way to the ground breaking work of Simon Price on the Roman imperial cult in Greek cities some of the very cities in which Paul carried out his mission Invited as a special guest of the SBL for the 2000 Annual Meeting Price was the respondent to these papers and interaction with him has aided the authors in their revisions The articles bring a rich variety of fresh perspectives to issues of the relation of Paul and the Roman imperial order including postcolonial theory political anthropological theory James C Scott postcolonial theory and feminist theory along with the new perspective on the imperial cult represented by Price This collection of articles thus stands at the cutting edge of new scholarship on Paul's mission and letters in his political and cultural context Contributors for this book include Robert Jewett Abraham Smith Neil Elliott Rollin A Ramsaran Efrain Agosto Erik Heen Jennifer Wright Knust and Simon R F Price Richard A Horsley is Distinguished Professor of Liberal Arts and the Study of Religion at the University of Massachusetts Boston and the author of *Paul and Politics* *Ekklesia* *Israel Imperium* *Interpretation* and *Paul and Empire Religion and Power in Roman Imperial Society*

*Paul and Politics* Richard A. Horsley, Krister Stendahl, 2000-11-01 A provocative analysis of interrelated issues in Paul's letters including his views on the Roman Empire the politics of Israel and politics and the church

*Paul's Letter to the Romans and Roman Imperialism* Ian E Rock, 2017-05-25 Ian E Rock demonstrates that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the face of death Paul demonstrates that it is God's peace and not Rome's peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God's power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul's theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is One and Lord of all is still in charge of the world

[Apostle Paul](#) Robert Orlando, 2015-02-26 The Apostle Paul's dramatic and much

discussed conversion on the road to Damascus radically changed the course of his life as well as the Christian religion Can a new narrative and a new perspective be brought to this two thousand year old story and centuries of critical thought and study The writer and filmmaker Robert Orlando believes it can Apostle Paul A Polite Bribe is a dramatic and challenging book inspired by his controversial film of the same name This ground breaking look at Paul s life draws on extensive research into Paul s letters and the book of Acts to reveal his human attitudes and insecurities Orlando constructs a fresh take on Paul s life especially his collection for the Jerusalem church and proposes that Paul as one of Christianity s most celebrated converts may have needed more than faith and fervour to convince the other apostles to accept his vision of ministry Apostle Paul A Polite Bribe illustrates how a vision of promise eventually leads to a hopeless prison cell and ultimately a new religion challenging the traditional perspective and inspiring new thought about one of the best known founders of the Christian religion

As it is Written Stanley E. Porter, Christopher D. Stanley, 2008 This work examines the notion of the land and its conquest which are important subjects today for the formation of the Pentateuch The sabbatical calendar known from the books of Enoch and Jubilees and several Dead Sea Scrolls is applied to the Pentateuch revealing it as the calendar

*Jesus, Paul, and Power* Rick F. Talbott, 2010-08-01 Jesus of Nazareth and Paul of Tarsus represent two of the most influential figures of history because of the expansion of later Christianity But Christianity s historical development includes a checkered and troubling past of abusive power that also impugns both Jesus and Paul European colonialism carried the gospel to the world claiming Jesus and Paul as architects of its oppressive empire building Modern churches in America quote Jesus and Paul to inspire inform and justify a host of cultural values that often include the subordination of women and marginalization of others who differ in beliefs values and lifestyles Talbott analyzes how Jesus and Paul responded to the systems of oppressive power in their day and how each in turn used power to form their respective communities The conclusions are based on the most recent scholarly approaches to Jesus and Paul and will enable modern readers to judge for themselves how Jesus and Paul envisioned the use of power among their communities
