If you own one of these fabulous cars, then you know how fun it is to drive. And you probably know that your MINI is packed with some of BMW's latest automotive technology. But if you want to maintain and repair your car yourself or just want to understand what's going on under the bonnet, you'll be wanting the MINI Cooper Cooper S 2002-2004 Service Manual by Bentley Publishers. This is the only comprehensive single source of service information and specifications available for MINI models from 2002-2004. The aim throughout this manual has been simplicity, clarity and completeness, achieved through practical explanations, step-by-step procedures and accurate specifications. Whether you're a professional technician or a do-it-yourself MINI owner, this manual will help you understand care for and repair your car. Bentley Publishers' new MINI service and repair manual is based on factory information but is heavily supplemented by hands-on experience and illustrations. The service manual editorial team has disassembled and photographed several MINI models for this project in the Bentley Service Information Research Center.
