About the Novel *Of Mice and Men* is the controversial novella by John Steinbeck that follows two migrant workers as they look for work during the Great Depression. Located in California, ranch workers George Milton and Lennie Small move on to look for work. George is lean and intelligent while Lennie is large and strong. The pair share a dream of one day owning their own land. Lennie's part of the dream is to be able to touch soft rabbits as he likes to touch soft things. George and Lennie find themselves on a ranch with Candy, an old aged ranch hand, and Slim. Candy offers to give 350 for George and Lennie to buy their land if Candy can live with them. Unfortunate events at the ranch make sure that dream never takes place.

Education for Educators Kai Kafferly, **Using Discussion to Promote Reading Comprehension** Donna E. Alvermann, Deborah R. Dillon, David G. O'Brien, 1987 Drawing from observations of discussion in 24 different classrooms, this book will provide preservice and inservice teachers at the middle and school levels with the motivation and knowledge to use discussion to foster student comprehension of content area text assignments. The first chapter examines the distinctions between discussion and recitation and redefines major issues related to content area discussion in light of recent research and school reform reports. The second chapter establishes a basis for the premise that

discussion is important to the development of reading comprehension illustrating those skills that enrich or refine students understanding of text The third chapter uses portions of transcripts from videotaped content class discussions to illustrate how classroom context influences discussion practices Alternatives to teacher dominated discussions are described and guidelines are provided for establishing the rights and responsibilities of critical readers The fourth chapter demonstrates how to plan for classroom discussion of assigned material describing five aspects of the planning process The fifth chapter presents discussion strategies that help students master the content examine more than one side of the issue and evaluate alternative solutions to a text based problem while the sixth chapter analyzes one content area teacher s implementation of a preplanned discussion Finally the seventh chapter describes two procedures for informally evaluating classroom discussion used to promote reading comprehension References follow each chapter
