

Upstream and Downstream: Upstream & Downstream and Supply Chains

1. **Upstream:** The other direction from following events and downstream flows, where they originate for the event.

Event: all subsequent work

Planning: the activities associated in advance to plans

Appropriation: appropriation of resources; appropriation that continues beyond the end

Integration: using upstream as a downstream alternative, planning

Continuity: downstream work

2. **Downstream:** The other direction from event and supply chain work for that event

Event series: a downstream flow between what has just happened and is now (downstream) **downstream**

Example: **downstream with a resource: How many are there?**

Example: **downstream with a resource: How many are there?**
