

Upstream and Downstream: A Shifting and Shaky Divide

1. **Upstream:** the other institution has authority, assets and administrative power, which they apply to the sport.

Example: all governments, UEFA

Example: the national association or national league

Example: participation in international competition by club members (clubs in 1960)

Example: using influence to encourage international football

Example: international club

2. **Downstream:** the other institution has assets and apply them to the sport

Example: a commercialised football club for profit and which is owned (directly or indirectly)

Example: football clubs with a commercial focus (clubs are a club?)

Example: football club, government, private and club, foreign club, commercial

3. **Upstream and Downstream:** answer the following questions. Do you agree or disagree?

- a. **Football is more football than it is business**
Yes, it is more football than it is business

- b. **Football is more business than it is football**
Yes, it is more business than it is football

- c. **Football is more football than it is business**
Yes, it is more football than it is business

- d. **Football is more business than it is football**
Yes, it is more business than it is football

- e. **Football is more football than it is business**
Yes, it is more football than it is business

- f. **Football is more business than it is football**
Yes, it is more business than it is football

- g. **Football is more football than it is business**
Yes, it is more football than it is business
