APIL Model Letters for Personal Injury Lawyers John McQuater, 2015-03-31 Civil Costs Law and Practice is well established as the authoritative reference for both costs practitioners and those who need a more rigorous analysis of the law than is possible in popular shorter works on the subject Independent reviewers have said that it is the Bible of the legal costs world and that it is a life support system for every litigator All aspects of civil costs law are covered The detailed commentary is scrupulously impartial such that independent reviewers have noted that there is not a single proposition put forward that does not have a detailed corresponding reference for the authority Reviewers have also noted that on the rare occasion where the writer's opinion alone is being given this is made crystal clear The authorities are often quoted word for word but even when they are not they are cited usually with pinpoint precision There are literally thousands of footnotes and where appropriate difficult points are explained by way of flowcharts or diagrams All of the rates and figures that a costs practitioner could wish for are set out in easily accessible forms such as tables and charts Many of the chapters have been substantially rewritten for the third edition and all the major changes and developments since the Jackson Reforms are addressed including Consumer protection and contracts of retainer Costs budgeting and prospective case management Relief from sanctions following Mitchell and Denton Human rights and the recovery of success fees The rise in applications for security for costs The greater use of orders for interim payments Changes in the way the Bar charges for its services Proportionality under the new overriding objective Provisional assessments The expansion of fixed costs regimes Part 36 offers in both substantive litigation and in costs litigation The changes in costs procedure including the compulsory requirement to make an offer and Changes to the format of Bills of Costs and Points of Dispute Civil Costs is written primarily for members of the judiciary who deal with civil costs and for costs lawyers costs draftsmen and costs counsel Civil litigators barristers practising civil law and managing partners will also find it useful Unusually for a practitioners text it is well regarded by common law lawyers outside England and Wales This is because its extensive citation of older authorities makes it easy to identify principles that are globally relevant Apil Model Letters for Personal Injury Lawyers John McQuater, 2008 These letters provide a comprehensive work flow system to guide the reader through all the stages of a personal injury claim from initial instructions through to resolution of the claim The letters are also designed to deal with many of the practical problems that can arise in the conduct of a personal injury claim taking account of the requirements of the pre action Protocol the Civil Procedure Rules and relevant case law The letters ensure the claim is progressed and issues relating to liability quantum and general tactics are dealt with effectively whilst keeping the client fully advised throughout This edition has been extensively revised and updated and takes on board significant changes to the conditional fee regime and the referral fee code the introduction of predictable costs the new rules on pre action admissions and part 36 as well as important new case law All major areas of PI practice are covered and are grouped within the following categories Client

care Initial Steps and the Pre action Protocol Evidence Quantum Proceedings Trial Appeals APIL Model Letters for Personal Injury Lawyers also comes complete with a CD ROM containing all the letters from the book for you to use and adapt to your needs 10% discount for APIL Members to take advantage of this offer please call Customer Services on 0117 918 1492 and quote your APIL membership number *How to Build and Manage a Personal Injury Practice* K.
