Christian Forgery in Jewish Antiquities Nicholas Peter Legh Allen,2020-09-02 Since at least the fourth century CE the Jewish historian Josephus Judean Antiquities has been assumed to be a critical source for valid extra biblical evidence pertaining to the existence of the historical Jesus James the Just and John the Baptist Based on the latest findings from both contemporary and independent research this book sets out step by step the final proof that apart from the New Testament there is absolutely no valid record pertaining to the historical existence of any of these individuals
