His quest to protect everything he loves brings him face to face with a powerful sorcerer king and a treachery beyond even his vivid imagination. The Magic Thief Found Sneaking out of prison isn't easy unless you are a thief or a wizard. Luckily Conn is both. Trouble is once he's out where does he go? His home is a pile of rubble since he blew it up doing magic. His master the wizard Nevery is not happy with him. Worst of all Conn's been exiled and staying in the city will mean his death. The Magic Thief A Proper Wizard When Verent a young apprentice from neighboring Danivelle comes to Wellmet to ask for Conn's help with his city's magical problems he is less than impressed with Conn. Will Verent be able to overcome his misgivings about Conn in order to help his town? And with Conn's help will Verent become a proper wizard? The Magic Thief Home Duchess Rowan has promoted Conn to ducal magister but the other wizards see him only as a thief. But something sinister is brewing as magicians' locus stones are being stolen and magical spells are going awry. As Conn faces old enemies and powerful magical forces is he strong enough to save the city he calls home.

Modern Magic. Professor Hoffmann, 2019-05-06 The demand for a second edition of this work affords me an opportunity of thanking my numerous correspondents for their friendly expressions and at the same time of noticing the very generally expressed desire that I should extend my revelations to the specialities of Messrs Maskelyne and Cooke and M Buatier This however as will be seen on reflection would be extremely unfair towards those gentlemen A first class stage trick has frequently taken months or even years to bring to perfection and while it remains a novelty has a high commercial value I have purposely limited my disclosures to such illusions as have been sufficiently long before the public to be fairly regarded as common property Within this limit I have endeavoured to make my explanations as complete as possible but to go beyond it would be to infringe a moral copyright and to deprive gentlemen to whom Modern Magic is especially indebted of the well earned fruits of their labour and invention
