Sample Book Insights

- 1 Grants are hot right now but they are also extremely misunderstood People think that all you need to do to get grant money is to incorporate as a not for profit organization and wait for money to fall out of the sky
- 2 The world of grants is not like the lottery You have to be in it to win it but you also have to represent yourself and your organization in the best possible light If you can't do that then do not apply
- 3 The US Department of Education has funded parent centers in schools for more than 20 years These centers are supposed to be developed and run by parents but the types of activities available to parents are chosen by the Department of Education
- 4 There are three types of organizations grassroots small and large The kind of work you want to do and the size of your organization will determine where you should look for funding

The Only Grant-Writing Book You'll Ever Need Ellen Karsh, Arlen Sue Fox, 2003-07-09 The competition for government and foundation grants is steeper than ever in this post 9 11 environment of urgent monetary need For everyone who has to raise money through grants for every type of organization and government agency comes a book that details winning strategies for developing grant proposals from authors who know where the money is and know how to get it The authors frame writing the grant proposal as the final not too difficult step in a comprehensive and methodical process From the first step of determining what kinds of funding are most appropriate they show readers how to identify a compelling need analyze the effectiveness of existing programs to address that issue and develop one or more of these existing programs or create an innovative one that will indeed have an impact Along the way they explain how to build a coalition when it is needed to implement the program efficiently The grant application becomes a showcase for readers organization well designed programs and dedicated partners *The Only Writing Series You'll Ever Need - Grant Writing* Judy Tremore, 2009-03-18 Millions of people dream about making money as a freelance grant writer But grant writing is different than any other type of writing it requires specific elements as well as a certain style and know how By the nature of this series this book is a clear concise and easy to follow guide Covering the basic skills every grant writer needs they will learn how to get the funds they are asking for no matter how stringent the submission guidelines This book explains all a prospective grant writer needs to know including how to Find the money up for grabs Apply for government and foundation
