## **Onward Engaging The Culture Without Losing The Gospel:**

*Onward* Russell D. Moore, Russell Moore, 2015-08 Christianity Today Beautiful Orthodoxy Book of the Year in 2016 Keep Christianity Strange As the culture changes all around us it is no longer possible to pretend that we are a Moral Majority That may be bad news for America but it can be good news for the church What s needed now in shifting times is neither a doubling down on the status quo nor a pullback into isolation Instead we need a church that speaks to social and political issues with a bigger vision in mind that of the gospel of Jesus Christ As Christianity seems increasingly strange and even subversive to our culture we have the opportunity to reclaim the freakishness of the gospel which is what gives it its power in the first place We seek the kingdom of God before everything else We connect that kingdom agenda to the culture around us both by speaking it to the world and by showing it in our churches As we do so we remember our mission to oppose demons not to demonize opponents As we advocate for human dignity for religious liberty for family stability let s do so as those with a prophetic word that turns everything upside down The signs of the times tell us we are in for days our parents and grandparents never knew But that s no call for panic or surrender or outrage Jesus is alive Let s act like it Let s follow him onward to the future

**Onward - Bible Study Book** Russell D. Moore, 2015-08-03 Learn to reclaim the distinctiveness of the Christian faith that sets it apart from the surrounding culture **Rethinking Sexuality** Dr. Juli Slattery, 2018-07-24 This ground breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality Sexual abuse sex addiction gender confusion brokenness and shame plague today s world and people are seeking clarity and hope By contesting long held cultural paradigms this book equips you to see how sexuality is rooted in the broader context of God s heart and His work for us on earth It provides a framework from which to understand the big picture of sexual challenges and wholeness and helps you recognize that every sexual question is ultimately a spiritual one It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality Instead of arguing with the world about what s right and wrong about sexual choices this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness your own or someone else s

**A Radical Journey to the Higher Country** Mark VanSkiver, 2024-05-15 The Sermon on the Mount ends with the words And when Jesus finished these sayings the crowds were astonished at his teaching For over two millennia the astonishing words of Jesus from the Sermon Mount have transformed the lives of incalculable numbers of people living obediently to the way of kingdom life proclaimed by the Lord Jesus knew full well the power of His words during His earthly ministry and prophesied Heaven and earth shall pass away but my words will never pass away As readers embark on A Radical Journey to the Higher Country they will travel with brothers and sisters prophets poets and mystics past and present who have been transformed by the power of the Messiah s astonishing words from the Sermon on the Mount and throughout the New Testament A tapestry of noted voices pertaining to the themes of kingdom life revealed by Jesus in the great sermon is weaved carefully in

this devotional format to encourage every follower of Jesus As travelers journey upward to the higher country by way of guideposts and waypoints they will arrive at the summit of the Sermon Mount finding strength and empowerment to live intentionally by the grace of God to illuminate the way of Jesus in this turbulent world      **Uncomfortable** Brett

McCracken,2017-09-15 Does your church make you uncomfortable It s easy to dream about the perfect church a church that sings just the right songs set to just the right music before the pastor preaches just the right sermon to a room filled with just the right mix of people who happen to agree with you on just about everything Chances are your church doesn t quite look like that But what if instead of searching for a church that makes us comfortable we learned to love our church even when it s challenging What if some of the discomfort that we often experience is actually good for us This book is a call to embrace the uncomfortable aspects of Christian community whether that means believing difficult truths pursuing difficult holiness or loving difficult people all for the sake of the gospel God s glory and our joy      **After the Election** Ron Scott

Sanders,2018-04-05 The role of Evangelical Christianity in American public life is controversial The mythology of America as a Christian nation and the promissory note of secularism have proved inadequate to cope with the increasing pluralism the resilience of spirituality and the wariness toward formal religion that mark our post secular age Christianity and democracy have a complex history together but is there a future where these two great traditions draw the best out of one another What does that future look like in a heterogeneous society Sanders argues that democracy is stronger when it allows all of its religious citizens to participate fully in the public sphere and Christianity is richer when it demonstrates the wisdom of God from the ground up rather than legislating it from the top down In this reality the Evangelical church must return to Christianity s prophetic roots and see itself as a community in exile where participation in the political is important but not ultimate where the substantive work of the church happens after the election      **The End of White Christian America**

Robert P. Jones,2017-07-04 The founder and CEO of Public Religion Research Institute PRRI and columnist for the Atlantic describes how white Protestant Christians have declined in influence and power since the 1990s and explores the effect this has had on America NoveList      *Citizens & Exiles: Christian Faithfulness in God's Two Kingdoms* Scott Aniol,2023-09-01

Christians have always wrestled with how they should respond to the cultures around them On the one hand we recognize the goodness of God s creation and his common grace upon all people On the other hand we recognize that people are sinful and that the world is hostile to God and to Christians So what are we to do As tensions rise between church and state some of the loudest voices articulating answers to the question do not match what Scripture commands for the church today Some answers threatens to undermine the pilgrim character of New Testament Christianity and the spiritual mission given to the church of making disciples Others advocate for a more privatized faith in conflict with the more holistic emphasis of Scripture In this easy to read book Scott Aniol demonstrates that Scripture teaches contrary to both of these postures Aniol shows that the New Testament portrays Christians as citizens of the common kingdoms of this earth but they are ultimately

exiles since they are more profoundly citizens of Christ's redemptive kingdom Understanding the biblical relationship between these two provides a very clear framework for preventing churches from losing their biblical mission while at the same time discipling Christians to actively engage in society around them What the Bible prescribes for Christians in this present age is Christian faithfulness in both realms of God's sovereign rule Scott Aniol PhD is Executive Vice President and Editor in chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary **Themelios,**

**Volume 41, Issue 2** D. A. Carson, 2016-08-23 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **The Rhetoric of**

**Religious Freedom in the United States** Eric C. Miller, 2020-07-06 Though much has already been written on religious freedom in the United States these treatments have come mostly from historians legal scholars and advocates with relatively little attention from rhetorical critics In The Rhetoric of Religious Freedom in the United States fifteen scholars from this field address the variety of forms that free public religiosity may assume and which rhetorical techniques are operative in a public square populated by a diversity of religious political actors Together they consider the arguments evidences and strategies defining what religious freedom means and who is entitled to claim it in the contemporary United States

**Welcome to College** Jonathan Morrow, 2008 To help the upcoming student Jonathan Morrow provides this engaging guide packed with advice on all manner of issues from dating and friends classes and homework to avoiding the temptation to just check out spiritually while in school Morrow gives personal advice and anecdotes draws examples from Scripture and offers additional resources for further insights from publisher description **Restoration Appreciation** John C.

Nugent, 2022-05-13 The Restoration Movement is one of the largest Christian traditions indigenous to the United States

boasting nearly four million adherents Over the last century however it has suffered internal division isolationism declining institutions and widespread ignorance of its own roots The dynamism and solidarity that once typified our churches appears to be fading which has many asking if the Restoration Movement has lost all momentum Yet Jesus prayed for Christian unity and tied such unity to the world's belief John 17 Only a united church will convince unbelievers that God sent Jesus as his ultimate expression of love for them This prayer propelled the early Movement into action and may do so again today This highly accessible book invites restorationists to rise above the partisanship of our day rally around our core commitments and lead out in our strengths It informs readers about the modest origins unique resources and current challenges facing our churches It fosters stimulating conversations about mission race creeds Scripture education unity humility and relevance If it is time for you your congregation or your students to encounter or recover their restoration roots then this book is for you

**The Superiority of an Evangelical Model of Religious Liberty** Daniel J. Trippie, 2022-11-14 Religious liberty is America's first freedom But in recent years challenges to religious liberty have abounded For example some claim that religious freedom promotes intolerance and bigotry while others contend religious freedom condemns people to hell And others weaponize religious liberty for culture warring Nevertheless evangelicals believe that religious liberty is fundamentally a matter of human dignity thus religious liberty is a right we must preserve for all people This book will explore how evangelical anthropology cosmology and eschatology offer the most stable basis for religious freedom Secular and Roman Catholic theories may positively contribute to religious liberty but the evangelical model is superior because it answers fundamental questions left unanswered in other models

**Doctrine in Shades of Green** Andrew J.

Spencer, 2022-01-13 How we come to our conclusions about ethical issues matters as much as the specific policies or practices we commend This book argues that four key doctrines form a theological perspective for environmental ethics They are the key ideas upon which people build their ethics of the environment By looking at the doctrines of revelation creation anthropology and eschatology we can find points of contact to work together more effectively for the common good and have more meaningful debates when our positions differ This book uses examples from four different theological positions ecotheology theological liberalism fundamentalism and evangelicalism to show that a creation positive ethic is possible from all of these positions and it explores why people who stand within various theological streams may engage in environmental issues in diverse ways

*Ethics for Christian Ministry* Joe E. Trull, R. Robert Creech, 2017-11-01 This one of a kind resource in professional ethics helps today's Christian leaders maintain a high moral character and lifestyle and sharpen their personal and professional decision making skills Two experienced teachers and pastors address both current and perennial ethical issues and offer guidance for developing a personal code of ethics to maintain integrity in the work of ministry The authors address the nature of ethical decision making as well as practical areas where integrity can be compromised including issues raised by the use of smartphones and social media Appendixes include codes of ethics from various

denominations      *Let No One Despise You* Tony Beard, 2020-05-12 Paul wrote to Timothy instructing him to not be despised for his youth But isn't that at least a little like what the church does to its youth today Perhaps the church does not despise its youth but isn't it at least a little dismissive of them Instead of being integrated into the body of the church youth are being entertained and occupied What happens when they become young adults The church has not prepared the next generation of Christians for their emerging adulthood years Millennials and Gen Zers should be stepping into greater leadership and service roles in the church but are instead walking away from it altogether Those who remain have been ill prepared to endure in a post Christendom society There is a simple three part message young adult Christians need to hear Youth is no obstacle to Christ the world is an enemy of God and the best way to respond to this world is love This message encourages young adults to commit to following Jesus now prepares them for pushback they may face because of it and instructs them on essential and practical ways to live in light of this hostility      **Unlikely Converts** Randy Newman, 2019-07-30 Rely on the unstoppable power of the gospel not your own words Most Christians have people in their lives who they're sure will never come to faith Whether they're too committed to their sinful ways too angry at God or too quick to shut down any mention of the saving grace of Jesus these long shots don't seem worth approaching But some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them Randy Newman knows firsthand the discomfort that comes with sharing the gospel He's been tongue tied and timid too But the truth is we don't need to sound like the brilliant charismatic legendary evangelists In this book Randy shares surprising conversion stories straight from those who took the long way around to Christianity He considers current cultural trends that make evangelism more difficult today Then with his characteristic upbeat style he offers practical ways and even exact wording to proclaim the gospel and includes a plan of action In the end *Unlikely Converts* encourages us to remember that while the Great Commission requires us to share the good news it does not require perfection only confidence in the message      **The Way Back** Phil Cooke, Jonathan Bock, 2018-02-06 This book is both timely and needed Provocative yes because the message is essential at this decisive hinge moment in time Philip Yancey Author *Vanishing Grace* *The Way Back* is the way forward Erwin Raphael McManis Founder of Mosaic and Author *The Last Arrow* On a dusty hilltop Jesus once kickstarted His church with a ragtag group of fishermen who called themselves *The Way* Truth be told the builders of Christianity were a bunch of nobodies Like us they were powerless and flawed and sometimes petty But they were committed They were all in Within a remarkably short time *The Way* became the world's most influential religious faith a force in culture politics literature science philanthropy and the arts Against impossible odds that group of nobodies astonished the world Two thousand years later by any measure Christianity is retreating on all fronts *The Way* has lost its way In *The Way Back* media and marketing experts Phil Cooke and Jonathan Bock take a hard look at Christians today and reveal that we as a salesforce have lost our faith in our product Where's the passion the excitement and the commitment that two thousand years ago made

such improbable and staggering growth possible The Way Back will inspire and equip you to learn from that wonderful group of nobodies so that you too can astonish the world once more      Christian Marriage David Ayers,2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society      **The American Jesus?** Douglas Johnson,2020-08-07 Is being a good American the same thing as being a good Christian Are they the same thing Are they opposed Or perhaps they overlap in important ways The Christ and Culture question is not new It showed itself in the reaction of many Jews to Jesus The early Christians had to find some way to relate to their Greek and Roman societies with questionable results for their faith and their cultures This problem has haunted Christians throughout history and still is with us today This book looks at much of the history of the church and the various answers that have been given to the issue It does not attempt to arrive at a definitive answer to these questions but invites the reader to come to their own conclusions

This is likewise one of the factors by obtaining the soft documents of this **Onward Engaging The Culture Without Losing The Gospel** by online. You might not require more epoch to spend to go to the book introduction as without difficulty as search for them.
