My Chess Hans Ree, 2013-10-07 The Ideal Chess Journalist During his active chess career Hans Ree battled with almost all the great chessplayers including eight world champions from Max Euwe to Anatoly Karpov My Chess is not only about them but also about other players and writers from the past who are admired by Ree This book gives a personal view of Ree's own world of chess and therefore less prominent players also appear such as a schoolmate with whom he played an endless series of matches or the anonymous A6648 who played more than a half million games on the Internet Chess Club In addition the question is finally answered why the great Dutch author W F Hermans designed a chess set made of cigarette lighters but did not want to play chess Though the game of chess and its practitioners are certainly not idealized this book is in the first place a loving description of a world brimming with striking personalities and an inexhaustible source of stories About the Author Grandmaster Hans Ree 1944 is a four time Dutch champion and represented his country from 1966 through 1994 in every chess Olympiad From 2001 2007 he was the wearer of the Euwe Ring an award for outstanding service to Dutch chess He writes about chess in NRC Handelsblad New in Chess magazine and on the American website Russell Enterprises com Internationally he is considered to be one of the best chess writers of his era A grandmaster excellent writer and careful researcher who doesn't seek out controversy but is equally unafraid to plumb the sometimes murky depths of chess politics Ree is an ideal chess journalist Jon Speelman The Observer
