**Work from Home** Serge Chapter, 2019-01-12 Every weekday morning working people leave the comfort of their homes to head to work Some of them live so close to their places of employment they're able to walk Others commute on trains in cars and even on bicycles Many of these people dream of working from home They reflect on the joys of awakening and walking with their coffee from the kitchen to their home office even if it's the kitchen table They sigh ruefully not believing that the work from home dream could be theirs if only they were to think a little outside the box I'm writing this brief book to let you know that the work from home dream is for anyone who's willing to reach for it It's not an impossible dream either As I write there are millions of people all over the world working from home They're in their pajamas at the kitchen table They're sitting in the park They're drinking coffee at the corner java joint Wherever they are they're making money and they're making it on their terms and on their schedule Wouldn't you like to be your own boss keeping the hours that suit you best Wouldn't you like to make commuting to work a thing of the past It can be done This book seeks to prove my point It's a collection of key information based on case studies which demonstrates that working from home is not just a possibility It's something that will change your life recreating it as more prosperous and less stressful just because you were willing to make a change But the road to professional independence may not be perfectly smooth You may not make all your money from one sole revenue stream to start with That means variety which is the spice of life the last time I checked Making a living online and from home means understanding the ebb and flow of work and how to make it flow more than ebb So come along with me to discover how you can live the dream of working from home making as much as 10 000 per month The proof is in the pudding and this

collection of case studies has been prepared to give you a gentle push in the right direction Let s find out how to get yourself out of the rat race and into a work from home situation that pays the bills and makes your life a happier one **100+ REAL Work from Home Jobs, Gigs, Careers, and Side Hustles that You Can Do RIGHT NOW** Rebecca Hurst,2020-06-08 Yes you really can make an actual income working from home Under the recent advice of social distancing and stay safe stay at home the advantage in today s workforce lies with those people who are able to do real work from home Because let s face it this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place In my book I show you over 100 ways you can have a successful career working from the comfort of your own home My Work from Home book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience there s a job for you If you re just looking to make some extra side income or work at your own pace this book is for you too Many positions can be tailored to your preferred schedule what your expertise is and what your level of comfort with technology might be I took the guesswork out of the equation for you Other books blogs and articles will direct you to the link to find the job and then you have to figure out if it is for you The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck I have done the heavy lifting for you You will find at least one chapter that seems like it was written especially for you in your situation This book is set up in chapters divided by how you would go about finding a job you love The first part is about finding what work you might want to do establishing what you re good at and general advice about job hunting and working from home The bulk of the book is dedicated to practical guidance for finding that job in the real world You can peruse the types of jobs that can be done remotely and how you might go about performing the job you love Conversely I have provided you with a listing of over 60 companies who are actively hiring remote work from home workers Out of the 100 ways to work from home you re sure to find something you never thought of doing Finally I wrap up with addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations While these jobs might not be done completely at home you can still work out of your house without having to step foot in a cooperate office It s better in the eBook format I would highly recommend purchasing or gifting this book in the Kindle eBook format because it is filled to the brim with helpful links that are clickable when read in the eBook format If you have a Kindle Unlimited membership you can also get this title for FREE for a limited time so be sure to click Read for Free before this title is removed from Kindle Unlimited
