Faith Niki Hershey Knisley,2023-04-11 The culmination of their story points to a fairytale ending And why shouldn t they have one after all they ve been through Gabe Scott and Faith Brooks were reunited more than a year after their relationship ended badly In the interim Faith had returned to her old life and was content But there was still a part of her heart Gabe would always hold So when he turned up on her doorstep a transformed man and they rekindled their relationship she thought since they d already been through the fire their future looked bright Now he s proposed and with marriage and the reunion of their little family they re excited to move on But as they prepare for the wedding and seek to put their past behind them it proves harder than expected It seems the factors stacked against them during their engagement are following them
