[The Pleasures of Reading](#) Catherine Sheldrick Ross, 2014-06-27 Based on years of ground breaking research this book supplies a look at the unique relationship between each text and the individual reader that results in a satisfying pleasurable and even life changing reading experience Following up on her critically acclaimed *Reading Matters* What the Research Reveals about Reading Libraries and Community Catherine Sheldrick Ross takes a new look at pleasure reading through 30 thought provoking essays based on themes arranged from A to Z In short lively chapters she discusses topics ranging from Alexia Bad Reading and Changing Lives to Romance Fiction Self help Titles Vampires and Year of Reading Drawing on her own research as well as other published sources Ross comments on the significance of each theme provides examples of the phenomenon and develops the topic chronologically through further examples or through reversals The essays are unified by an underlying theory of reading that views readers as sense makers actively engaged in reading themselves into the text and reading the texts back into their own lives It gives educators and librarians insights into their roles with readers and offers a message about the importance of pleasure reading A short list of resources for further reading is supplied with each topic

Feminist Perspectives on Law and Literature Laura Schmitz-Justen, Laura A. Zander, Hanna Luise Kroll, Laura Wittmann, 2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality and vice versa intersectional feminist perspectives are extremely valuable in the study of law and literature Of course neither feminist nor intersectional approaches are new in and of themselves for decades literary scholarship has studied the impact of particular constellations of gender race and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood However research at the intersection of law literature and feminism has so far been limited and insular Bringing together more than twenty

international researchers from related disciplines this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship From reproductive and trans gender justice in law and literature to feminist practices that intervene in judicial discourse this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts The volume s commitment to intersectionality fittingly extends to its very make up the contributors were selected to represent a diverse range of positions in terms of their gender career stage and nationality
