*Writing and Developing Your College Textbook* Mary Ellen Lepionka, 2008 This is the comprehensively revised second edition of a popular professional book on textbook writing and finding one's way in the higher education publishing world for academic authors and editors college instructors and instructional designers The second edition has two new chapters on the latest industry trends such as the pricing revolt open access movement and wiki textbook phenomenon and on the use of learning objectives to structure textbook package development Every chapter features new sections links forms models or examples from an even greater range of college courses Contains updated and expanded appendices glossary entries references bibliography entries and index BISAC Language Arts Disciplines Authorship and Publishing Tulsian's Business Statistics : A Self-Study Textbook CA & Dr. P C Tulsian, Tushar Tulsian & CA Bharat Tulsian, This book has been primarily designed to meet the needs of B Com students under the recommended National Education Policy 2020 NEP 2020 for the subject Business Statistics It serves as a self study text and provides essential guidance for various topics including understanding of Statistics Diagrammatic and Graphical Presentation Measures of Central Tendency Correlation and Regression Analysis Analysis of Time Series Index Numbers Probability Theory and Theoretical Distributions The book has been written in simple and lucid manner covering all the important equations formulae and practical steps in a systematic manner to aid students learning Based on the author's proven approach teach yourself style the book is replete with numerous illustrations exhibits and solved problems Online Book Store and Online Travel Johnny Ch LOK, 2018-04-04 Web vs School campus book store development trend Why do students choose to buy textbooks online What factors motivate students choose online textbooks purchase Nowadays many online book retailers such as Varsity books com and Bigword com Amazon publish com are now capturing more of the textbook online store market What is motivating this behavior changes to student market instead of children story market entertainment or travel or sport book market etc topic market What causes students to choose purchase textbooks online Can likelihood to make purchases online be predicted by various social and personal characteristics of consumers The online textbook purchase growth is allowing online retailers to capture a substantial portion of sales in some sectors What motivates consumers to shop on the web But what if these factors are not significant such as better product availability lower cost as is that case when comparing on offline textbook purchasing There is no significant price advantage to buy textbook online it is there an availability issue given that textbook can be purchased in the campus store Foucault et al 2000 shall assume that precious positive online purchase is positively correlated with the likelihood of an individual purchasing textbooks online Hence it influences why readers choose to buy textbooks online again Following other factor web consumers are likely shop online to save time and or money but what of those consumers who shop online when an equally time and cost efficient alternative is present With regard to textbook purchasing the time invested in researching for the appropriate books is likely to be similar regardless of whether the student bookstore or

through an online textbook With regard to textbook purchasing the time invested in researching from the time invested in searching appropriate books is likely to be similar regardless of whether the student chooses to shop in the campus bookstore or through an online textbook retailer If time from purchase until use counts online textbook shopping could be considered less time efficient than its offline counterpart Due to the readers need to turn on computer to link to internet to read electronic books or wait the print on demand to buy paper books from the electronic book store web site to wait the paper books to post to the online book buyer s home Otherwise offline bookstores can reduce time spending to wait the books to be posted to the buyer s home after who pay money to take the paper book from the bookstore immediately So the non waiting post book issue is still the text bookstore s strength to attract students to buy
