Assaulted Personhood Craig C. Malbon, 2020-12-14 In 21st century America personhood is under daily assault sometimes with dire consequences. Scientist, ethicist, and ordained minister Craig C. Malbon encourages the reader to consider such assaults on personhood endured by victims of abortion, ageism, Alzheimer's disease, drug addiction, mental and physical disabilities, gender, gender orientation, racism, sexual preference, identity politics, and our will to power over the other. In exploring personhood status, Malbon poses difficult questions for us: Is personhood assigned as all or nothing, or is it a sliding scale based upon criteria arbitrarily aimed at our vulnerabilities? Does the voiceless embryo and fetus have advocates who can speak to the moral question of abortion? Is the personhood of an economically insecure pregnant woman degraded to the point where lack of access to early termination of pregnancy results in coercive childbearing? Does being a member of the LGBTQI community target one for assaults on personhood to the extreme of being killed? In delving into the biology and psychology of assaults of self upon the other, Malbon sees powerful linkages of everyday assaults on personhood to darker, profound original sins that are foundational to the rise of the American empire: i.e., assaults on the indigenous Native Americans and assaults derivative to the institution of slavery upon Africans, African Americans, and their descendants.

These Are Our Bodies, Foundation Book Leslie Choplin, Jenny Beaumont, 2016-08-01 Easily accessible, theologically progressive, mainline Christian Education resource on human sexuality. Our inherent value and worth comes from God's love for us, but our modern world is filled with sexual expression that too often leads us away from the life of Christ. As Christians seeking to live a life worthy of our calling and desiring to pass along these values to our children and youth, this book explores how we as parents and adults can explore issues of sexuality in the context of our faith. A sexuality education resource from a mainline progressive denominational perspective aids the adult reader, teacher, parent in learning and using skills that enable them to embrace and affirm the wholeness of sexuality and to talk openly and honestly about the connection of sexuality and faith. This book, grounded from a theological perspective, focuses on foundational issues for addressing how we and why we are called to have these conversations in a faithful community to support families. The importance of looking at one's sexuality throughout the lifespan through the lenses of decision making, faith, and daily life, respect, growth, and change, behavior, responsibility, values, prayer, and intentionality is explored, offering a grounding as well as a stand-alone resource for individuals and churches to build upon.

Texting with Angels Andrew Ramer, 2022-07-26 Within the pages of this book, you'll meet an urban demon, a witch in the suburbs, a Jewish vampire, a magic dog, and a golem named Judith. You'll find out what happened to Marx, Freud, and Einstein after they died, read lost Jewish texts, learn about the messiah and her unfolding mission, and spend time with a goofy angel and a kvetchy one, the two of them, perhaps a couple, but neither of them.
