Unchanging Witness S. Donald Fortson, Rollin G. Grams, 2016-02-01 In *Unchanging Witness* Donald Fortson and Rollin Grams articulate the consistent orthodox view historically held everywhere always and by all by presenting primary sources throughout Christian history and by interpreting the biblical texts in their cultural contexts *Queering Black Churches* Brandon Thomas Crowley, 2024 *Queering Black Churches* explores how open and affirming ONA historically Black churches have queered their congregations Using the lenses of practical theology ecclesiology Queer theology and gender studies Brandon Thomas Crowley examines the heteronormative histories theologies morals values and structures of Black churches and how their longstanding assumptions can be challenged to dismantle homophobia within African American congregations and move beyond surface level allyship toward actual structural renovation *Persuasive Apologetics* Jeffrey M. Robinson, 2023-09-19 We cannot love others well without speaking the truth Loving our neighbors well includes engaging in robust conversations that destabilize false belief systems In addressing the mind will and emotions of actual complex people Christian believers must develop various approaches to meet diverse personalities and multiple connection points In *Persuasive Apologetics* pastor and professor Jeffrey M Robinson explores what s below the surface of intellectual sounding objections to Christianity He shows what it means to contend for the truth through real life examples of communicating with those who hold differing beliefs Robinson covers foundational and practical issues such as the importance of demeanor in being persuasive various apologetic approaches the influence of worldview presuppositions using undercutting defeaters to expose faulty thinking causes of nonbelief the historical Jesus compared with figureheads of competing belief systems the hope that Jesus offers *Persuasive Apologetics* will challenge serious seekers to peel back the layers of skeptical arguments and equip committed Christians looking to hone their apologetics skills *Peace and Faith* Cary Nelson, Michael C. Gizzi, 2021-10-26 *PEACE AND FAITH* Christian Churches and the Israeli Palestinian Conflict composed of new essays is the first collection to bring together writers from different faith communities to discuss the Boycott Divestment and Sanctions movement s impact on one of the more fractious topics addressed by Christian denominations the Israeli Palestinian conflict In so doing it builds on interfaith projects under way for decades Theology and politics intermingle in debates taking place in local churches Christian NGOs and national church meetings that define official policy The debates revive and reframe the most basic values of Christianity and the questions church members seek to resolve How do Christians today hew to the principles Jesus articulated How can justice be pursued in the context of competing national narratives and historical understandings What bearing do or should centuries of Christian violence against Jews and Muslims have on contemporary theology and ethics Is it ethical or even possible to set aside millennia of Christian anti-Semitism in judging Israel s conduct What Christian values should be honored in pursuing Jesus s mission of reconciliation today How may the pursuit of truth be corrupted by passionate social witness Can advocacy cross the line into hatred These are among the critical questions this

collection poses and attempts to address **Venus and Virtue** Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30 Venus and Virtue are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women s issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative Unchanging Witness Samuel Donald Fortson, Rollin G. Grams, 2016 In *Unchanging Witness* Donald Fortson and Rollin Grams articulate the consistent orthodox view historically held everywhere always and by all by presenting primary sources throughout Christian history and by interpreting the biblical texts in their cultural contexts **The London and Paris Observer** , 1826

Bulletin of the Atomic Scientists , 1993-10 **"The" Illustrated London News** , 1850 *Our Witness* Brandan J. Robertson, 2018-03-27 The stories of LGBT Christians are not untold but have often been unheard by faith leaders and communities While so much of the conversation about LGBT inclusion has focused on theology and ideology few have actually interacted with the raw real stories and experiences of LGBT Christians In this volume LGBT Christian activist and theologian Brandan Robertson has brought together stories of LGBT Christians from around the world combined with his theological insights to create a powerful book that will challenge convict and inspire readers from all theological backgrounds to examine their posture and message toward the LGBT community and embrace the revival that the Holy Spirit is igniting among queer Christians around the world Washed and Waiting Wesley Hill, 2010-11-29 Yet many who sit next to us in the pew at church fit that description says author Wesley Hill As a celibate gay Christian Hill gives us a glimpse of what it looks like to wrestle firsthand with God s No to same sex relationships What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homosexuality What is God s will for believers who experience same sex desires Those who choose celibacy are often left to deal with loneliness and the hunger for relationships How can gay Christians experience God s favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt Weaving together reflections from his own life and the lives of other Christians such as Henri Nouwen and Gerard Manley Hopkins Hill offers a fresh perspective on these questions He advocates neither unqualified healing for those who struggle nor their accommodation to temptation but rather faithfulness in the midst of brokenness I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ Hill

writes In so doing they may find as I have by grace that being known is spiritually healthier than remaining behind closed doors that the light is better than the darkness **Messy Grace** Caleb Kaltenbach,2015-10-20 Sometimes grace gets messy Caleb Kaltenbach was raised by LGBT parents marched in gay pride parades as a youngster and experienced firsthand the hatred and bitterness of some Christians toward his family But then Caleb surprised everyone including himself by becoming a Christian and a pastor Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church As a pastor and as a person with beloved family members living a gay lifestyle Caleb had to face this issue with courage and grace Messy Grace shows us that Jesus s command to love your neighbor as yourself doesn t have an exception clause for a gay neighbor or for that matter any other neighbor we might find it hard to relate to Jesus was able to love these people and yet still hold on to his beliefs So can you Even when it s messy Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders Caleb s story is surprising and unique and he weaves it together compellingly He states his views clearly leaves room for disagreement and champions love no matter where you are in this conversation Jud Wilhite Sr Pastor Central Christian Church **Calling the Rainbow Nation Home** E. Sundby,2005-08 This book is a journey for truth Samuel Kader Sr Pastor Community Gospel Church Dayton Ohio Openly Gay Openly Christian Leyland Publications Am I going to hell because I am gay Is homosexuality a sin Should I remain celibate my entire life If you or someone you love is struggling with these issues this book is for you Follow Reverend Elaine Sundby s journey as she takes us on her personal quest for truth and self acceptance a path that eventually led her to enter the ministry Reverend Sundby was determined to discover God s plan for her and equally determined to do what was right in the eyes of God without taking the easy way out Simple to understand yet rooted in spiritual truth Calling the Rainbow Nation Home has the potential to heal the battered soul of the Christians who are struggling to reconcile their homosexuality with their faith and to heal their relationships with those who love them and want to understand A new era is just beginning in the gay Christian community as thousands begin to realize that God loves us all just as we are *Homosexuality and the Christian* Mark A. Yarhouse PsyD,Mark A. Yarhouse,2010-09 A leading Christian psychologist and researcher answers questions about same sex relationships and sexual identity with clarity and empathy Provided by publisher **The Father's Heart on Homosexuality** Walter L. development What does Paul mean by the Spirit gives life What does it mean to be genuine and authentic in your relationship with God What about the LGBTQIA genuinely breaks the Father s heart If you actively refuse to receive God s Perfect Substitutionary Sacrifice and Gift through our Lord and Savior Jesus Christ nothing in this life will properly heal be restored or will ever be completely made whole on yours or my behalf You ll remain separated from Almighty God with your besetting sins that will eventually destroy you and you ll regret choosing to spend all of eternity literally physically and eternally tormented by choices to live your life contrary to the Word of God bound in the devil s hell Single, Gay, Christian Gregory Coles,2017-08-22 In an age where neither society nor the church knows what to do with gay Christians Greg Coles shares his story a story about a boy in love with Jesus who at the fateful onset of puberty realized his sexual attractions were persistently and exclusively for other guys This honest hopeful account shows life through one man s eyes and assures all people You are not a mistake From Queer To Christ George Carneal,2016-08-28 George Carneal author of From Queer to Christ grew up in the 70s raised by a Southern Baptist minister in the ultra conservative Bible Belt For years he struggled with his Christian faith and a same sex attraction George shares his painful journey through a queer culture fantasyland filled with drag queens drugs and dangerous situations a secular world at odds with homosexuality in addition to a religious world that is hostile to homosexuals before discovering healing joy and peace in Christ Perhaps sharing his journey through the eyes and mind of a confused child dealing with a same sex attraction will give some insight into the pain and difficulty of navigating these two worlds George would eventually spend 25 years immersed in the homosexual lifestyle mostly in the Los Angeles club scene and shares the pitfalls of that life His story is not about glamorizing a life he once lived This is merely his journey and what he learned along the way Deliverance from that bondage is possible There is hope in Christ George is a frequent speaker at churches and conferences has appeared on numerous television and radio broadcasts as well as contributing quotes to online articles for LifeSite News Christian Life Magazine Tennessee Conservative News and The Christian Post For more information please visit <http://www.georgecarneal.com> A Christian view of homosexuality John W.
