Only Golf Spoken Here Colorful Memoirs Of A Passionate Irish Golfer:

Only Golf Spoken Here Ivan Morris, 2001 Ivan Morris is a golf nut He eats it sleeps it and drinks it As a low handicap golfer for almost forty years he played in over 100 Irish British European and American championships and won more than a few Along the way to his great delight Ivan met or became friends with some of golf s best players and most unusual characters The list includes Tiger Woods Sam Snead Gary Player Christy O Connor Sr an Irish teammate known as Tail Gunner Carew and an Irish caddie known as The Rooney In Only Golf Spoken Here Morris presents an amusing account of his memories and feelings about a game that continues to tantalize and frustrate him after a lifetime of playing it His opinions and insights from a distinctive Irish viewpoint will no doubt make enjoyable reading for anyone with an interest in golf Ireland or both

The Life of O'Reilly John O'Reilly, Ivan Morris, 2004-02-29 The Life of O Reilly is a chronicle of the career of one of the European PGA Tour s most famous caddies John O Reilly and it s full of funny stories as only this Irishman can tell them Like the one about the time he and some fellow caddies were arrested and jailed in East Germany on their way to the German Open in Berlin Or the one about the Tour pro who in a fit of temper after a bad shot put his foot through the bottom of his golf bag and could not get it out again The Life of O Reilly is a rollicking ride around the world and the world of professional golf by one of the game s most interesting characters No golf library would be complete without it I hope that you ll find this book as entertaining as I found Johnny to be throughout our three successful years on tour There was never a dull moment Padraig Harrington

American Book Publishing Record ,2001 **Not Only Golf** Pat Ward-Thomas, 1981 *A Golfer's Education* Darren Kilfara, 2001-01-01 Part travelogue part memoir a delightful true story of the author once a member of Harvard s golf team and a former writer for Golf Digest details his humble beginnings at St Andrews University in Scotland as a serious uptight golfer who would do anything to play a great course but instead emerged a man infinitely wiser with a profound love of the game

A Feel for the Game Ben Crenshaw, 2002-05-07 With two Masters Championships nineteen career PGA victories three NCAA Championships and millions in earnings Ben Crenshaw is without question one of the most successful golfers of the century But Crenshaw s claim to fame goes beyond his individual performances As captain of the 1999 Ryder Cup team Crenshaw confronted the largest deficit in tournament history and the skepticism of commentators who suggested that he was the wrong man to manage the team in today s dog eat dog mindgame world of match play golf Twenty four hours later Crenshaw proved all the critics wrong In a hard fought competition that kept viewers glued to their televisions he brilliantly motivated a team of diverse personalities and in the most thrilling match in Ryder Cup history brought the Cup back to American soil And he did it his way with grace honor dedication and an encyclopedic knowledge of how the game should be played A Feel for the Game is Crenshaw s warm tribute to golf and its traditions He describes his early years learning the game from famed golf guru Harvey Penick and takes readers through his career as an outstanding amateur to his glorious years on the PGA Tour culminating in the climactic Ryder Cup victory He

introduces the players and teachers who have inspired him from Penick and Bobby Jones to Jackie Burke Tom Kite and Payne Stewart His reminiscences his fascinating glimpses into golf history and his unparalleled understanding of the nuances of play make this an engaging personal portrait of a man and a game that were made for each other *Seve Severiano Ballesteros*,2010-12-15 Now the subject of a major film Once or twice a generation an athlete transcends his sport at last here s Seve Ballesteros in his own words There are golfers and there are golfers And then there s Seve Severiano Ballesteros was perhaps the most naturally gifted golfer ever to have walked a fairway From the moment his brother Manuel gave him his first club he was unstoppable A few weeks before his seventeenth birthday he turned pro Five years later he won the Open A genius had arrived For the best part of two decades Seve dominated the golfing landscape He played shots others could only dream of With 94 wins as a professional including 5 majors he was a phenomenon an athlete who transcended his sport But Seve stood for more than simple excellence Almost single handedly Seve gave European golf credibility almost single handedly he made the Ryder Cup one of the greatest contests in world sport And when as captain he finally lifted the trophy on home soil in 1997 a whole continent rejoiced His pride and passion have inspired millions and we have taken him to our hearts Here for the first time Seve tells his own story From his humble beginnings right up to the present day here at last is the man behind the magic in his own words Seve is utterly entertaining blazingly charismatic and unique Severiano Seve Ballesteros Sota was a Spanish professional golfer and a leading sports figure He won more than 90 international tournaments in an illustrious career He first caught the attention of the sporting world in 1976 when at the age of 19 he finished second at The Open He played a leading role in the re emergence of European golf helping the European Ryder Cup team to five wins both as a player and captain He won the World Match Play Championship a record tying five times He is generally regarded as the greatest Continental European golfer of all time and won a record 50 times on the European Tour Ballesteros died of brain cancer on 7 May 2011 aged 54 *Breaking 80* Dermott Gilleece,2006-04-25 In this handsome new book Irish writer Dermott Gilleece tells the incredible life story of the great Irish player from his humble beginnings to his triumphs on the great links of Great Britain and Ireland *Ford's Wonderful World of Golf* Tim Philpot,2013-01-01 In 1959 Ford Philpot brought every ounce of his down home tent revival charm to television s fertile ground and became the first true TV evangelist telling The Story of Jesus to every household with a screen and a pair of dusty rabbit ears But once the cameras stopped rolling Ford knew just where he would go next the golf course In this delightful memoir of his father Ford s son Tim spins tales of the man s sometimes profound sometimes contradictory life Ford s Wonderful World of Golf is full of humor honesty and deep appreciation *You Wouldn't Believe Me If I Told You: An Unforgettable Memoir of Golf, Grit, and a Blue-Collar Kid on the PGA Tour* Jay Delsing,Will Saulsbery,2025-06-03 Imagine growing up in a blue collar family with a dad who played Major League Baseball and a childhood where golf was as foreign as a trip to the moon Jay Delsing a natural athlete with an unyielding passion for the game shares his incredible journey from humble beginnings to a twenty five year

career on the PGA TOUR in *You Wouldn't Believe Me If I Told You*. This is not your typical golf memoir. Delsing's unique perspective as a blue collar kid navigating the white collar world of professional golf brings a refreshing authenticity to his stories. From locker room banter with Tiger Woods to flying on Air Nicklaus, Delsing pulls back the curtain on life on Tour. But it's not just about golf. Delsing weaves in tales of his days at UCLA with Steve Pate and Corey Pavin living in a mansion once owned by Lana Turner and the unforgettable moment Sean Connery introduced him to Steven Spielberg and George Lucas. He even recounts the surreal experience of Stephen Stills on a golf course offering him cocaine before serenading him with a choice of Southern Cross or Love the One You're With. Filled with humor, heart, and a healthy dose of name dropping, *You Wouldn't Believe Me If I Told You* is a must read for anyone who loves sports, golf, or behind-the-scenes glimpses into the lives of celebrities. Whether you're a lifelong fan of the game or simply appreciate an underdog story, Delsing's memoir will leave you captivated from the first tee to the final green.
