**Political Corruption in Bridgeport** Rob Sullivan, 2014-05-20 First incorporated in 1836 Bridgeport is notorious for a raucous political history that includes both liberating accomplishments and salacious scandals From a state senator who spent several years in prison for racketeering to a mayor who was caught taking drugs while in office Bridgeport has had its fair share of unlawful politicians The political playground of the city has also seen invigorating leaders who fought hard to bring jobs industries and prosperity to the community The city's most famous mayor was none other than circus impresario P.T. Barnum Discover the stories behind some of the most contentious elections like the alleged ballot stuffing that ended the twenty-four year era of socialist mayor Jasper McLevy or the power politics and threats that landed John Mandanici in office

Soper, 2012-05-29 A critical appreciation of the life's work of a great comic strip artist **Electoral Politics Is Not Enough** Peter F. Burns, 2012-02-16 Focusing on four medium sized northeastern cities with strong political traditions **Electoral Politics Is Not Enough** analyzes conditions under which white leaders respond to and understand minority interests Peter F. Burns argues that conventional explanations including the size of the minority electorate the socioeconomic status of the citizenry and the percentage of minority elected officials do not account for variations in white leaders understanding of and receptiveness toward African American and Latino interests Drawing upon interviews with more than 200 white and minority local leaders and through analysis of local education and public safety policies he finds that unconventional channels namely neighborhood groups and community based organizations strongly influence the representation of minority interests
