Mumbai Fables Gyan Prakash,2010-10-10 Starting from the catastrophic floods and terrorist attacks of recent years Prakash reaches back to the sixteenth century Portuguese conquest to reveal the stories behind Mumbai s historic journey Examining Mumbai s role as a symbol of opportunity and reinvention he looks at its nineteenth century development under British rule and its twentieth century emergence as a fabled city on the sea Different layers of urban experience come

to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization.

The Kokoschka Capers Alessandra Comini, 2015-08-15 In this third book in the Megan Crespi Mystery Series, a major double portrait by the Viennese Expressionist artist Oskar Kokoschka showing himself with his lover Alma Mahler has been stolen from the Basel Museum in Switzerland. Left in its place is an exact duplicate except that Alma has been replaced by an unknown woman. Retired professor of art history Megan Crespi, an expert on Viennese art, is called in to help with the investigation. Then a second theft of fourteen crates of unknown Kokoschka artworks from a Viennese storage vault takes Megan to Vienna. There she meets by accident the mysterious multimillionaire Desdemona Dumba. A stunning anorexic, Desdemona feels it is her role in life to bring Kokoschka's lost works together and away from public scrutiny. Meanwhile, two individuals, Leo Lang and Bruno Fichte, harbor fanatical interest in Kokoschka and go to extreme measures, either to desecrate or to protect the artist's images of Alma. An endangered Megan pursues leads that take her from Basel and Vienna to Berlin and finally to Xenia, Desdemona's remote islet off the Greek island of Corfu.

Readers Guide *Journeys from Interlaken and Prague* Lincoln Phillips, 2024-08-31 *Journeys from Interlaken and Prague* Two different lives, two different journeys. A heroine and an unwilling antihero unknowingly cross paths only from a distance, and their lives are changed forever. Fifteen-year-old Caroline Westermarck enjoys a peaceful existence with her expatriate American family in Switzerland. She adapts easily to adventure and, with her grandfather at the steering wheel of their car, soars over the Alps with her best friend Marta on a road trip to Munich. During her visit to Germany, Caroline revels in the everyday pleasures of a teenage girl: seeing the sights and meeting nice boys. But exposure to the fringes of the migrant crisis in Europe, from discussion at the family dinner table to Muslim women and their children begging on the streets, is her first philosophical introduction to social conflict. It is a setting far removed from her life at home. Pavel Vorotnikov is a young Russian man in an entirely different situation. He cannot take the violence of fighting for a mercenary army in Syria and agrees to join a child trafficking operation in Europe. When he sees how the children are treated and is compelled to deal with the bodies of children that die in transit, he despises the gang members and even himself for what he has become. The contrast is stark, but fears and yearning are intertwined. From a Swiss mountainside park, Caroline's father looks to the distant peaks and worries about war, famine, and disease. Pavel inhabits a largely tranquil society but is not part of that dream. In a delivery to Munich, Pavel plots revenge against the gang and is awed beyond his wildest imagination when people he does not know courageously and unwittingly intervene. Caroline's life also changes as she pays the price for men who invent a reason to go to war. It is a journey to death and suffering and sacrifice that, once begun, cannot be forgotten.
