One Hundred Philosophers Peter J. King, 2004 Presents profiles of one hundred philosophers from ancient times to the present day **One Hundred Philosophers** Peter J. King, 2004-09-01 Presents profiles of one hundred philosophers from ancient times to the present day **One Hundred Philosophers** Peter J. King, 2007 **One Hundred Philosophers** Peter J. King, 2006 **Master Your Thoughts ... Transform Your Life** Dr John Tibane, 2012-06-05 Everything begins with a thought You cannot do anything say anything or be anything without having a thought about it first The thought might not be obvious it can be subtle it can be years old or it can be part of someone else s belief system You also cannot change what you do say or become without changing your thoughts This is why learning how to improve your thinking is the first and most important step in reshaping yourself and your life In Think It Become It Dr John Tibane offers his expert advice and some powerful tools to help you shift your mental gears and have a more positive impact on the world around you By working through the methods outlined in this book you will slowly thought by thought action by action begin to change both who you are and the kind of life experiences you encounter This interactive book is filled with practical exercises information that is easy to follow and plenty of useful tips You will learn How to think rich and get rich How to think performance and perform How to think time and get the most of your time The ten dimensions of thinking including Billboard Thinking Zero Based Thinking Harvest Thinking and Outcomes Based Thinking Think It Become It teaches that by claiming the power of your thinking you too can master your own destiny Philosophy Hans E. Bynagle, 2006-05-30 A newly reorganized up to date overview of key reference works in philosophy reflects a veritable explosion of reference sources both print and online published over the past decade Nearly 300 of the 700 entries consist of new material with an additional 50 entries substantially revised and updated English language sources are emphasized but important non English works are also well represented For professional philosophers philosophy educators students from beginning to graduate and librarians This guide represents a substantial updating and complete re organization of the author s 1997 Philosophy A Guide to the Reference Literature 2nd edition 1st edition 1986 It reflects a veritable explosion of reference sources both print and online in the field of philosophy over the past decade Nearly 300 entries or 40 percent are entirely new An additional 50 or so entries have substantial revisions recording new editions changes in serial publications series and websites or additional volumes completed in multi volume sets In addition it has been entirely re organized along topical lines Each of its twenty three chapters is divided into four sections 1 general sources 2 history of philosophy 3 branches of philosophy and 4 miscellanea This new arrangement accords better with the greatly expanded range of philosophy reference sources and makes it easier for the user to identify related sources of different types bibliographies dictionaries web gateways etc on the same topic Like its predecessor Guide to Reference Sources in Philosophy the 3rd edition aims to serve a diverse audience of professional philosophers philosophy educators students from beginning to graduate and librarians All entries include
