Copeland We find the unique Copeland interpretation of Treasures in Heaven Matthew 6 20 to be a complete inversion of the traditional or Anglican theological interpretation While the traditional interpretation is that this verse refers to future rewards available after death the Copelands argue that it refers to rewards existing now in the heavenly places in what they refer to as the believer s heavenly bank account The Copelands also believe in a literal hundredfold return on monetary and other gifts made for the gospel s sake Mark 10 29 30
