Foday-Khabenje, 2016-11-14 The patriarchal approach to leadership in the African context is indeed an enigma judging from the unpredictable outcomes and the quest for effective leadership In many ways the secularized big man in the public square is no different from the sacralised great man of God in the church The Lord Jesus Christ calls his followers to servant leadership The secular world has also established the efficacy of the servant leadership approach for cutting edge leadership This book looks at the nature of evangelical associations in their diversity and what it takes for leaders to build unity and harmony for effectiveness especially in the African context **The Facts of Business Life** Bill McBean, 2012-09-19 IF YOU

BELIEVE THAT Being your own boss can be a great career choice Success is what you decide it is Doing what you have a passion and talent for can be very profitable Monetary risk hard work and new ideas should be financially rewarded Understanding the business basics every successful owner focuses on and in what order would be beneficial Success works for you only after you've worked for it Marketplace battles are won before they are played Knowing what owning a business is really like would make ownership success a lot easier Change can create great opportunities Knowing when to exit a business is as important a life and business decision as becoming an entrepreneur in the first place THEN THE FACTS OF BUSINESS LIFE IS FOR YOU Written by a successful business owner with four decades of experience The Facts of Business Life is full of real world concepts that owners must use and embrace if they want to become and stay successful This multiple award winning book has been endorsed by some of America's top business leaders like Steve Forbes and Ken Fisher and has been recognized as one of the best five business books of the year and a must read for entrepreneurs or those wanting to be one McBean begins with clear explanations and real life examples of the seven Facts of Business Life that every successful business owner knows and executes consistently including exactly what they are as well as how and when to use them He then goes on to show how those facts impact on the five levels every successful business passes through from Ownership and Opportunity to Moving On When It's Time to Go explaining that while the facts themselves remain the same as a business becomes successful and moves through its life cycle the way they are applied must change to fit changing circumstances But there are even more reasons why this breakthrough business book is a must read including Its principles are based on the author's own experience in starting and running successful businesses in a variety of industries It shows that the most successful businesspeople create profitable opportunities rather than wait for them to present themselves It enables readers

to analyze the likelihood of their own success based on the characteristics most successful owners have It reveals the 1 priority for all owners and their employees and why every owner needs to continually focus on it Hint it s not being profitable It emphasizes that becoming successful is no guarantee that success will last and that success itself can be a trap that eventually leads to failure It shows that a business s culture isn t just a mission statement but also the processes created to operate the business and the employees who implement them It discusses the steps that must be taken even before a business is started to increase the odds of its becoming a lasting success It covers every step in a business life cycle including the last one showing that the best time to exit a business is when you don t have to and that unless you pick that time someone else will

*303 Preschooler-Approved Exercises and Active Games* Kimberly Wechsler, 2012-06-12 *303 Preschooler-Approved Exercises and Active Games* is written specifically for children ages 2-5 years old. In the Building Blocks of Fitness section, each fitness and sport skill is taught in different stages. This allows teachers, counselors, or parents to teach their preschooler a skill that sets the foundation of a more difficult skill; the next level adds a new and more complex element. By doing this, the preschool child will be safe and will feel confident about themselves. Children will learn Sportsmanship, Socialization skills, Self-control, How to focus and follow rules, How to share, Reasoning and thinking skills. The preschool years are filled with milestones and major physical changes; young children will develop physically, intellectually, emotionally, and socially. During this time, lifestyle behaviors begin to emerge that can define a pattern of behaviors all the way through adulthood. It is vital to a child's health to instill healthy lifestyle habits, behaviors, and disciplines during these young years.

Through creative physical activities and easy to follow guidelines this book will teach families how to navigate their dynamic and hectic lifestyles into a healthy and active lifestyle Being physically active is an invaluable gift for a child a gift that keeps on giving even into adulthood What motivates a five year old will be different than what motivates a twelve year old It s not a one size fits all when it comes to fitness Children have specific physiologic differences that make them unique they grow mature and develop skills at different ages so what may be skill appropriate for one child could be harmful for another child fitness programs exercises and activities must be designed specific to each developmental stage Think of fitness in terms of building a pyramid In order to have a strong foundation preschoolers must learn the basic building blocks of fitness Each year as kids grow older they are building on the foundations that were created in the previous years and moving on to more complex movements and skills Moving from hitting a stationary ball to one that is thrown bouncing a ball with two hands to bouncing it with one and progressing from a bike with training wheels to one without are all milestones that are accomplished during childhood Kids will play longer and harder than those at the earlier stage of development They can actually follow multi task directions e g run to the cone jump up and down three times then run back to me and enjoy playing in a group more For quick access and easy to follow directions the activities are organized into six sections of different games and exercises that can easily fit into a child s allotted playtime Throughout these sections children can become more aware of their bodily functions develop sportsmanship and team working skills increase energy expenditure help strengthen muscles and bones and improve cardiovascular endurance Preschoolers can decrease the risk of serious illnesses later in life while increasing their creative development Play and exercise helps children to grow and learn about how the world works 303 Preschooler Approved Exercises and Active Games is a physically active way to bring fun and laughter into a child s life
