Viola, 2020-03-10 This book explores young people s civic experiences in contemporary American society and how they navigate the political world in an era defined by digital media Drawing on the experiences of young people before they have reached voting age the book provides vital perspectives on citizenship and civic engagement of a part of the population that is often overlooked The author engages with the tensions young people encounter in their everyday personal and civic lives particularly in their understanding and experience of civic identity in ways that are shaped by society s mis perceptions of youth The book introduces a new framework of civic identity that has been directly informed by the lived civic experiences of young people themselves. The findings will be of great interest to researchers and students working in political science sociology youth studies education studies and media studies as well as Innovation in Methodology and Practice in Language Learning policy makers practitioners and parents of young people Christopher Williams, 2015-09-04 This volume is composed of 24 papers originally presented as talks at the VIII National Conference of the Italian Association of University Language Centres Associazione Italiana dei Centri Linguistici Universitari AICLU held at the University of Foggia Italy between 30 May and 1st June 2013 The contributions fall into five sections 1 keynote addresses from plenary speakers 2 innovative challenges for language centres 3 new developments in teaching language for specific purposes 4 proposals and case studies in Content and Language Integrated Learning and 5 the use of new technologies in language learning 18 papers are in English four in Italian one in French and one in German The fact that three quarters of the papers are in English reflects the way English has become the lingua franca of academic conferences today However in keeping with the ethos of CercleS Conf d ration Europ enne des Centres de Langues de l Enseignement Sup rieur the pan European organisation to which AICLU belongs which is strongly committed to promoting plurilingualism it was crucial that contributions would also be accepted in other languages. The volume represents the state of the art in the field of language teaching and theory in university language centres not only in Italy but also in other parts of Europe and the Mediterranean and testifies to the rich variety of ways in which these centres are adapting and thriving in rapidly changing times Federal Republic of Nigeria Kemdi Chino Opara, 2013-10-11 In the National Assembly Federal Republic of

Nigeria What You Should Know and Why Kemdi Chino Opara explains not only the Nigerian system of government and its iterations of constitutions throughout the years but also the current political climate in the country He lambasts members of the National Assembly for tarnishing the values initially set forth for a prosperous government which exists to aid the people Among his chief concerns are bribery and corruption within the government and the tendency of politicians to fatten their wallets and egos while the people of Nigeria suffer Opara's chief hope is that education about and open discussion of the current problems inherent in the political system will bring about change Get Out the Vote Donald P. Green, Alan S. Gerber, 2008-09-01 The first edition of Get Out the Vote broke ground by introducing a new scientific approach to the challenge of voter mobilization and profoundly influenced how campaigns operate In this expanded and updated edition the authors incorporate data from more than one hundred new studies which shed new light on the cost effectiveness and efficiency of various campaign tactics including door to door canvassing e mail direct mail and telephone calls Two new chapters focus on the effectiveness of mass media campaigns and events such as candidate forums and Election Day festivals Available in time for the core of the 2008 presidential campaign this practical guide on voter mobilization is sure to be an important resource for consultants candidates and grassroots organizations Praise for the first edition Donald P Green and Alan S Gerber have studied turnout for years Their findings based on dozens of controlled experiments done as part of actual campaigns are summarized in a slim and readable new book called Get Out the Vote which is bound to become a bible for politicians and activists of all stripes Alan B Kreuger in the New York Times Get Out the Vote shatters conventional wisdom about GOTV Hal Malchow in Campaigns Elections Green and Gerber's recent book represents important innovations in the study of turnout Political Science Review Green and Gerber have provided a valuable resource for grassroots campaigns across the spectrum National Journal The Outcome John Coleman II,2022-08-01 Daniel G Harvey a common man becomes the fortyaEURfifth president of the United States Using the power of the truth he returns control over government back to the people Politicians declare his acts devastating but have no way to stop the change Through it all this outspoken nonpolitician swears his actions are right for the country but is he correct Chief Justice Brown leans in So you don't contest that your actions have caused this Revolution Daniel slowed his words Sir if you are asking are we seeking a World Revolution yes I believe we are The United States is in the midst of a Second Revolution Today we carry the torch but soon our actions will become the establishment for the rest of the world Chief Justice shouts Mr Harvey how can you be so sure Daniel laughs I suggest the establishment does not get in the people s way This is a story about one man s journey to make a difference The Outcome delves deep into the philosophical role of government and tasks its readers to ask if Daniel's actions can work in today s United States Written to spawn thought and debate it further answers the question if people can be trusted to govern themselves Congressional Record United States. Congress, 2000 **Interest Group Politics in** America Ronald J. Hrebenar, Ruth K. Scott, 2015-02-12 Interest group lobbying is a controversial activity in American politics

and this book provides a study of group power This edition includes expanded coverage of the changing dynamics of power politics in America new media venues and grassroots organizing and the perennial issue of reform The Independent William Livingston, 1917 Women Kimberly Fletcher, 2010-11-04 Kimberly Fletcher president founder of Homemakers for America former Vice President of the Dayton Ohio Tea Party and executive director of the Abigail Adams Project offers her **The Ethics of Voting** Jason Brennan, 2012-04-29 Nothing is more integral to democracy perspective on current politics than voting Most people believe that every citizen has the civic duty or moral obligation to vote that any sincere vote is morally acceptable and that buying selling or trading votes is inherently wrong In this provocative book Jason Brennan challenges our fundamental assumptions about voting revealing why it is not a duty for most citizens in fact he argues many people owe it to the rest of us not to vote Bad choices at the polls can result in unjust laws needless wars and calamitous economic policies Brennan shows why voters have duties to make informed decisions in the voting booth to base their decisions on sound evidence for what will create the best possible policies and to promote the common good rather than their own self interest They must vote well or not vote at all Brennan explains why voting is not necessarily the best way for citizens to exercise their civic duty and why some citizens need to stay away from the polls to protect the democratic process from their uninformed irrational or immoral votes In a democracy every citizen has the right to vote This book reveals why sometimes it s best if they don t In a new afterword How to Vote Well Brennan provides a practical guidebook for making well informed well reasoned choices at the polls Independent and Weekly Review ,1917 The Truth about Lies George Acquaah, 2007-03 A theological analysis of how to overcome deception
