**The Good of Politics** James W. Skillen, 2014-03-18 In this addition to the acclaimed Engaging Culture series a highly respected author and Christian thinker offers a principled biblical perspective on engaging political culture as part of one's calling James Skillen believes that constructive Christian engagement depends on the belief that those made in the image of God are created not only for family life agriculture education science industry and the arts but also for building political communities justly ordered for the common good He argues that God made us to be royal stewards of public governance from the outset and that the biblical story of God's creation judgment and redemption of all things in Jesus Christ has everything to do with politics and government In this irenic nonpartisan treatment of an oft debated topic Skillen critically assesses current political realities and helps readers view responsibility in the political arena as a crucial dimension of the Christian faith
