Botswana with no means of communication and nothing but a rifle toting guide for protection the terrified tourists desperately hoped for rescue before their worst instincts or the wild animals prowling in the shadows could tear them apart But the deadliest predator was already among them and within a week he walked away with the blood of all but one of them on his hands Now this killer has chosen Boston as his new hunting ground and Rizzoli and Isles must find a way to lure him out of the shadows and into a cage Even if it means dangling the bait no hunter can resist the one victim who got away
