Promoting creativity, achievement, mastery and enjoyment, *How to Teach Poetry Writing Workshops for Ages 8-13* provides teachers with a wealth of material and the inspiration to create a class of enthusiastic and skilled readers, writers, listeners and performers.

The Project Approach in Early Years Provision Marianne Sargent, 2014-01-07 The *Project Approach in Early Years Provision* is designed to help early years students, practitioners and managers understand and manage project work with young children. The project approach is designed to enable early educators to ensure young children are learning in the best possible way by providing motivating learning opportunities. Put the project approach into practice using the included resources with adaptable and printable planning and observation forms. Link the approach to the requirements of all four British early years curricula. Develop children's personal and social skills by encouraging collaboration with others. Provide a meaningful context for children to practice their literacy and numeracy skills. Promote sustained shared thinking by facilitating projects that involve children in active investigation, discussion and debate. Give each child the freedom to learn according to their individual needs, interests, aptitudes and abilities.

Literature-Based Teaching in the Content Areas Carole Cox, 2011-01-12 Forty classroom tested, classroom ready literature based strategies for teaching in the K-8 content areas. Grounded in theory and best practices research, this practical text provides teachers with 40 strategies for using fiction and non-fiction trade books to teach in five key content areas: language arts and reading, social studies, mathematics, science and the arts. Each strategy provides everything a teacher needs to get started: a classroom example that models the strategy, a research based rationale, relevant content standards, suggested books, reader response questions and prompts, assessment ideas, examples of how to adapt the strategy for different grade levels (K, 2, 3, 5 and 6, 8) and ideas for differentiating instruction for English language learners and struggling students. Throughout the book, student work samples and classroom vignettes bring the content to life.
