One Mothers Journey Creating My Family Through In Vitro Fertilization:

One Mother'S Journey Jennifer Prudenti,2015-07-16 What if you thought you had it all figured out and then just like that nothing was as it seems This is a story of determination perseverance and faith This is a story about making your dream come true despite the odds This is my story **In Vitro: My Journey Through the World of Ivf** Anastasia

Sputnik,2013-12-03 This book is a personal testimony from a patient who underwent 15 In Vitro fertilization IVF treatments over a 7 year period It is a story about male infertility combined with the females fertility declined with the age which lead the partners to proceed with In Vitro Fertilization IVF as the only option In todays western world one in every six couples face fertility problems and this story could become a reality for millions of couples in the world This book is raising awareness about female fertility and reproductivity potential for women after their mid thirties It also reveals some of the hidden truths and misconceptions about IVF and demystifies information provided by the press and media A similar book with details of the latest IVF trends facts and experiences from the patients perspective has never been published The first part of the book is a chronicle of the authors experiences as an IVF patient where she shares medical information facts experience and lessons learned during IVF treatments In the second part of the book the author is offering valuable advice recommendations and tools including tips on how to save money for IVF This is also a patients story about the emotional impact of IVF The book is unique in presenting a serious family and marriage crisis throughout battles with infertility and how the journey through the IVF drastically affected the couples relationship It is also a story of a personal life crisis that the female patient was going through The author describes her own turmoil when she decided to end IVF IVF closure after many years of living in the IVF bubble when she faced not only the cruel fact that she will never be able to have more children but also experienced a career failure financial difficulties and her husband being ready to leave her due to the inability to have a big family together This book is also a relevant resource for medical practitioners to better understand patients physical and emotional needs and improve the service in IVF clinics Quote from the book My greatest hope is that reading this book leads to positive outcomes for as many women and couples as possible **From Surviving to Thriving: A Mother's Journey**

Through Infertility, Loss and Miracles Fabiana Bacchini,2018-10-09 After living through an emotionally turbulent journey of infertility and the birth of one son Fabiana was thrilled to discover that she was pregnant again this time with twins She did not expect to encounter a tumultuous road until she was told that one of her twins had no chance of survival Then only weeks later she gave birth prematurely Her surviving twin spent months in a neonatal intensive care unit and later became a child with special needs From Surviving to Thriving is about finding the joy making the choice to see hope where others only see despair pain loss and sorrow The book teaches the reader valuable life lessons including how to face any adverse event and find something to be thankful for One can only feel inspired and connected with Fabiana as she recounts how she took her family on a journey from surviving to thriving **The Open-Hearted Way to Open Adoption** Lori Holden,2013-03-28

Prior to 1990 fewer than five percent of domestic infant adoptions were open In 2012 ninety percent or more of adoption agencies are recommending open adoption Yet these agencies do not often or adequately prepare either adopting parents or birth parents for the road ahead of them The adult parties in open adoptions are left floundering There are many resources on why to do open adoption but what about how Open adoption isn't just something parents do when they exchange photos send emails share a visit It's a lifestyle that may feel intrusive at times be difficult or inconvenient at other times Tensions can arise even in the best of circumstances But knowing how to handle these situations and how to continue to make arrangements work for the child involved is paramount This book offers readers the tools and the insight to do just that It covers common open adoption situations and how real families have navigated typical issues successfully Like all useful parenting books it provides parents with the tools to come to answers on their own and answers questions that might not yet have come up Through their own stories and those of other families of open adoption Lori and Crystal review the secrets to success the pitfalls and challenges the joys and triumphs By putting the adopted child at the center families can come to enjoy the benefits of open adoption and mitigate the challenges that may arise More than a how to this book shares a mindset a heartset that can be learned and internalized so parents can choose to act out of love and honesty throughout their child's growing up years helping that child to grow up whole

Family Bound Carrie Ostrea, 2003-04-14 Statistics show that over two million couples will experience some type of infertility issue when they try to become pregnant However when you are one of those two million you feel completely alone and believe that no one can truly understand what you are going through This honest and revealing book documents one couple's long and arduous journey to become parents from the eyes of the author The longer this process took the more emotional and difficult things became and the more the author relied on this journal to sort out all the emotions she was having She never expected that this journal would last for years hundreds of hormone shots and pills blood draws surgical procedures terrorist attacks international flights and the most emotional and financial roller coaster that she had ever been on But she and her husband were desperate to become parents to have their own child to love to hug to experience life with By sharing their experience this book offers insight into the emotional physical and sociological effects infertility has on a couple's relationship their families friends and themselves as individuals It also provides in depth detail of popular infertility treatments domestic and international adoption processes

The Top Books of the Year One Mothers Journey Creating My Family Through In Vitro Fertilization The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. One Mothers Journey Creating My Family Through In Vitro Fertilization : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
