always reminded us of our better selves and the importance of real virtues This book is unusual as it is a hybrid a fable novel in short a book of fables stretched into tales with particular morals There are three stories that are intertwined and all of this takes in a post apocalyptical world set in Australia The book also humorously criticizes the endless superstitions that have held people back either through the concepts of tradition false hopes and faith And through the actions of the two main characters Ritz and Triscuit we can learn various aspects of wisdom This novel is a chance for children to better understand the importance of compassion and to truly understand the complexity of their own world Milo and the Dragon Cross Robert Jesten Upton, 2018-06-01 Milo a fifteen year old boy with a highly developed imagination has fallen through the cracks of his teachers expectations and lands in a world of his own fantasies where he becomes a participant in the Magical Scavenger Hunt Surprised and baffled to find himself in such a strange place he finds a talking cat who agrees to help him navigate the puzzles and trials of the contest When he stumbles onto the discovery of a legendary talisman he attracts the enmity of a powerful vindictive wizard who pursues Milo as he unravels the mythical secrets and properties of the artifact Milo gradually discovers that he must trust his own abilities instead of trying to do whatever others expect of him while remaining loyal to the friends he makes as he follows the clues that come his way When at last the showdown with the wizard comes it is Milo s fundamental belief in himself that he must rely on Includes Readers Guide At the Dragon's Gate Charles Fenn, 2013-10-15 In the early days of World War II a young Marine named Charles Fenn was recruited by the Office of Strategic Services OSS for undercover operations in the China Burma India theatre Fenn knew exactly what it took to get the job done His wartime exploits are the stuff of legend but not even his OSS compatriots knew the full extent of his espionage activities Fenn's skill as a spy is matched by his talent as a storyteller and this witty elegantly written account of his OSS days not only adds to the historical record it makes for a compelling read A Journey to Heaven Cheng'en Wu,1913 Confessions of an Angry Dwarf Joseph J.
