It Doesn't Cost A Million to Look A Million Carl H. Becker,2021-12-06 The old saying is a picture is worth a thousand words Believe it or not but appearance accounts for a great deal in your life Think of yourself as a book cover It is the book cover that sells the book or not Those same laws of attraction also apply to you So if you re well groomed and wearing the correct apparel you ll attract attention We only get one chance to make a first impression Ninety percent of that first impression is visual and you re being summed up by your observer to the way you look in perhaps sixty seconds or less The other person observer be it a complete stranger peer coworker or employer is judging you based upon the way that you look Do you want to attract people into your life Or do you want to repel people Creating that positive image of yourself can open the door to conversation and that conversation can lead to opportunities of enriching your life So why would you want to shoot yourself in the foot My book will teach you grooming clothing care and how to buy quality apparel at bargain prices This book if followed will always have you putting your best foot forward and change your life forever

Congressional Record United States. Congress,1936 **Towers in the Void** S. E. Kile,2023-05-30 The maverick cultural entrepreneur Li Yu survived the tumultuous Ming Qing dynastic transition of the mid seventeenth century through a commercially successful practice founded on intermedial experimentation He engaged an astonishingly broad variety of cultural forms from theatrical performance and literary production to fashion and wellness from garden and interior design to the composition of letters and administrative documents Drawing on his nonliterary work to reshape his writing he

translated this wide ranging expertise into easily transmittable woodblock printed form *Towers in the Void* is a groundbreaking analysis of Li Yu s work across these varied fields It uses the concept of media to traverse them revealing Li Yu s creative enterprise as a remaking of early modern media forms S E Kile argues that Li Yu s cultural experimentation exploits the seams between language and the tangible world He draws attention to the materiality of particular media forms expanding the scope of early modern media by interweaving books buildings and bodies Within and across these media Li Yu s cultural entrepreneurship with the technology of the printed book embraced its reproducibility while retaining a personal touch His literary practice informed his garden design and conversely he drew on garden design to transform the vernacular short story Ideas for extreme body modification in Li Yu s fiction remade the possibilities of real human bodies in his nonfiction writing *Towers in the Void* calls for seeing books bodies and buildings as interlinked media forms both in early modern China and in today s media saturated world positioning the Ming and Qing as a crucial site of global early modern cultural change
