Once In Kazakhstan Once In Kazakhstan:

Once in Kazakhstan Keith Rosten, 2005 Rosten uses his knowledge of Russian living and language to give the reader access to non English sources on the history politics traditions and spirit of Kazakhstan The book contains photographs of the people places and monuments of the country *After January: Kazakhstan's Journey Through Identity and Geopolitics* Nygmet Ibadildin, Dinara Pisareva, Nurmakhan Tastaibek, 2025-09-30 This book explores how Kazakhstan has navigated its identity and geopolitical relationships since the January 2022 protests and the Russian Ukrainian crisis What began as a study of Soviet legacy in Kazakhstan shifted focus when major events in 2022 altered the country s internal politics and regional standing We trace Kazakhstan s complex history with Russia from the incorporation of Kazakh nomadic territories into the Russian Empire through the Soviet era to today s complex relationship The Soviet policies of collectivization and sedentarization dramatically transformed traditional Kazakh society with devastating consequences like the Asharshylyk famine that continue to shape national memory and identity The book examines Kazakhstan s development under Presidents Nazarbayev and Tokayev looking at how their social contract prioritized economic growth and stability over political freedoms We provide a detailed look at the January 2022 protests their aftermath and Tokayev s subsequent reform agenda aimed at political modernization In the shadow of the Russian Ukrainian crisis we show how Kazakhstan walks a diplomatic tightrope maintaining necessary ties with Russia while avoiding Western sanctions and developing new partnerships especially with Turkic states Using postcolonial theory we analyze how historical power dynamics continue to influence Kazakhstan s search for identity and place in the world Through five chapters we offer readers a window into Kazakhstan s evolving sense of self its changing relationships with global powers and the potential for Pan Turkism to provide a complementary alliance to Russian dominated regional frameworks *Kazakhstan's Assassinated Democracy* Yerzhan Dosmukhamedov, 2013-02 Kazakhstan s Assassinated Democracy describes how the highest levels of government in Kazakhstan are attempting to suppress the country s genuine democratization particularly through the case of a political party Atameken It is based on extensive interviews with Dr Yerzhan K Dosmukhamedov Chairman of the Atameken Party These interviews and articles most of which were originally published in Kazakh or Russian have created quite a public stir in Kazakhstan Dr Dosmukhamedov analyses problems in building a civic society in the country key political events major issues of domestic and foreign policy and the objective and subjective influences affecting the deep historical process currently underway in the country nothing less than the transformation of relationships between the state and the person Kazakhstan s Assassinated Democracy is directed to a broad range of readers and is intended for anyone interested in the future of Kazakhstan the development of political parties and the forces holding back democracy in that country a c *Kazakhstan's Defense Policy* Roger N. McDermott, 2009 Understanding the problems challenges and continued failings of the defense leadership in Kazakhstan involves first appreciating how limited its military reforms have proven in practical terms Akhmetov

was reportedly shocked in the early part of his tenure to discover how poorly trained disciplined and often corrupt Kazakhstan's armed forces remain despite several years of the state talking up military reform Although corruption is something of a sine qua non in the region it is particularly crucial to recognize its debilitating effect on efforts to reform the armed forces This will persist as an obstacle to achieving progress in successfully implementing military reform for the foreseeable future Also despite Kazakhstan's closer relations with Western militaries it has in real terms deepened and strengthened its ties with Russia

Democracy and Pluralism in Muslim Eurasia Yaacov Ro'i, 2004-11-23 This book is devoted to the study and analysis of the prospects for democracy among the Muslim ethnicities of the Commonwealth of Independent States CIS both those that have acquired full independence and those remaining within the Russian Federation The nineteen Western academics and scholars from the Muslim countries and regions of the CIS who contribute to this volume view the establishment of democratic institutions in this region in the context of a wide and complex range of influences above all the Russian Soviet political legacy native ethnic political culture and tradition the Islamic faith and the growing polarity between Western civilization and the Muslim world

Civil-Military Relations in the Soviet and Yugoslav Successor States Constantine P. Danopoulos, 2019-03-07 From open civil war in Bosnia and Georgia to the Russian president's use of military units against an uncooperative parliament civil military conflicts in the former USSR and Yugoslavia are increasingly attracting world wide attention and concern This volume brings together fourteen essays that explore the roles of the armed forces in the ongoing struggles for control over the processes of state formation and government in these newly independent countries Twelve chapters focus on the experiences of particular countries in the region and introductory and concluding chapters draw out commonalities and differences among the cases comparing them with one another as well as with post authoritarian regimes elsewhere in the world

The Legitimacy of Investment Arbitration Daniel Behn, Ole Kristian Fauchald, Malcolm Langford, 2022-01-13 A rigorous and empirically based analysis of the legitimacy challenges facing investment arbitration and the potential for reforms to remedy critique

Popular Geopolitics and Nation Branding in the Post-Soviet Realm Robert A. Saunders, 2016-07-07 This seminal book explores the complex relationship between popular geopolitics and nation branding among the Newly Independent States of Eurasia and their combined role in shaping contemporary national image and statecraft within and beyond the region It provides critical perspectives on international relations nationalism and national identity through the use of innovative approaches focusing on popular culture new media public diplomacy and alternative narrators of the nation By positing popular geopolitics and nation branding as contentious forces and complementary flows the study explores the tensions and elisions between national self image and external perceptions of the nation and how this complex interplay has become integral to contemporary global affairs

Henwood,2016-07-05 Hillary Clinton is running for the presidency with a message of hope and change But as Doug Henwood makes clear in this concise devastating indictment little trust can be placed in her campaign promises Rigorously reviewing her record Henwood shows how Clinton s positions on key issues have always blown with the breeze of expediency though generally around an axis of moralism and hawkishness Without a meaningful program other than a broad fealty to the status quo Henwood suggests the case for Hillary boils down to this she has experience she s a woman and it s her turn **Energy**

and Conflict in Central Asia and the Caucasus Robert Ebel,Rajan Menon,2000-11-28 This timely study is the first to examine the relationship between competition for energy resources and the propensity for conflict in the Caspian region Taking the discussion well beyond issues of pipeline politics and the significance of Caspian oil and gas to the global market the book offers significant new findings concerning the impact of energy wealth on the political life and economies of Azerbaijan Kazakhstan and Turkmenistan The contributors a leading group of scholars and policymakers explore the differing interests of ruling elites the political opposition and minority ethnic and religious groups region wide Placing Caspian development in the broader international relations context the book assesses the ways in which Russia China Iran and Turkey are fighting to protect their interests in the newly independent states and how competition for production contracts and pipeline routes influences regional security Specific chapters also link regional issues to central questions of international politics and to theoretical debates over the role of energy wealth in political and economic development worldwide Woven throughout the implications for U S policy giving the book wide appeal to policymakers corporate executives energy analysts and scholars alike China's Negotiating Mindset and Strategies Guy Olivier Faure,I. William Zartman,2025-06-30 This

book analyzes the mindset with which China enters into negotiations and applies these insights into contemporary arenas of

Chinese activity around the world The volume presents and analyses the historical and cultural foundations of Chinese thinking as used in the practice of present day negotiation It begins by addressing the essence of Chinese negotiations and the Chinese mindset turning to a section that presents the cultural foundations of that mindset and strategy The concepts of Confucianism Taoism Yin Yang and Chinese military strategy are highlighted The cases of the Belt and Road Initiative and the South and East China Seas are examined to show the application of these concepts with one addressing business and economic negotiations and the other examining cases of negotiation in geopolitics Finally a synthesis of what has been learned is presented which will contribute to negotiation theory and ultimately will help Western practitioners contemplating negotiation with Chinese diplomats and businesses as well as being a basis for policy analysts understanding of Chinese practices in international relations This book will be of much interest to students of international negotiation foreign policy business studies and international relations as well as practitioners and policymakers
