American Covenant Michael A. Soukup,Gary E. Machlis,2021-03-23 An intimate and candid account of our national parks and their strengths vulnerabilities and essential role in American life Part memoir part critique and paean to the value of national parks American Covenant distills the experience and insights from two long careers in conservation Michael A Soukup and Gary E Machlis show how the national parks are essential to maintaining the essence of our national heritage and key to America s future in a changing climate and political landscape Sharing real world examples of both victories and defeats in protecting national parks this candid thoughtful book reminds us that the national parks are a promise a covenant

within and between generations of Americans The book is also a call to revitalize reconstitute reconfigure and reform the National Park Service which the authors believe is governed too much by outdated management practices and politics instead of a foundation of expertise and science **Dissertation Abstracts International** ,2004 *Fort Lauderdale*
