Charles Ware,2010 On a notorious high rise estate in the London Borough of Hackney a van is driving erratically The driver is pulled over and questioned A woman on the street after a long night of drinking never makes it home A suspect an arrest a confession a case closed Five years earlier a young girl disappeared on a busy London street The case was never closed Now there s a confession to this murder and to yet another Is it too good to be true Detective Chief Inspector Anna Travis is pulled into the fray by her mentor and friend Detective Chief Superintendent James Langton and isn t so sure that they have their man then the suspect changes his story *One Race One Blood (Revised & Updated)* Ken Ham,Charles Ware,2019-06-11 One Race One Blood reveals the origins of the horrors of discrimination the biblical truth of interracial marriage as well as the proof revealed in the Bible that God created only one race Explore the science of genetics melanin and skin tone affected by the history of the Tower of Babel and the origin of people groups around the world Divisions Ethnic cleansing genocide racial conflicts have taken place from colonialism to Nazi Germany to modern day We are a society nation and world in continued conflict We are increasingly being identified and divided by designations of racial groups Many of these unfortunate divisions have been fueled by the troublesome threads of scientific racism which emerged from Darwinian evolution Solutions Education can teach workshops can inform laws can protect but what is the defining answer to ending the notion of racial division Since racism is a heart issue a sin issue it is one that only the truth of God s inerrant Word will overcome Truths And hath made of one blood all nations of men for to dwell on all the face of the earth Acts 17 26 KJV **One Blood** Ken Ham,1999 **One Blood** Ken; Wieland Ham (Carl, & Batten, Don),2003 **Quick Answers to Social Issues** Bryan Osborne,2020-03-03 The collapse of the Christian worldview in America and the West is happening to the utter shock of Christians Why They ve been blind to the enemy s stealth attack on biblical history and authority which has led multiple generations to abandon God s Word as their foundation When our culture asks the questions dealt with in this book and our

kids parrot these questions and ideas heard from schools libraries movies books music YouTube social media etc it must be remembered they re not innocent unintentional questions They stem fundamentally from a rejection of biblical authority Quick Answers to Social Issues provides answers for some of the toughest questions of the day regarding Marriage and sexuality from God s Word Response to the LGBTQ community Animal rights and the green movement The biblical response to racism It s imperative that Christians be ready to give answers to today s questions Thus the passion and purpose of this book is to equip you with clear concise biblical answers to effectively stand on God s Word and boldly proclaim the gospel of Jesus Christ on the frontlines of today s battle      *The Genealogical Adam and Eve* S. Joshua Swamidass,2019-12-10 What if the biblical creation account is true with the origins of Adam and Eve taking place alongside evolution Building on well established but overlooked science S Joshua Swamidass explains how it s possible for Adam and Eve to be rightly identified as the ancestors of everyone opening up new possibilities for understanding Adam and Eve consistent both with current scientific consensus and with traditional readings of Scripture      One Race One Blood (Revised & Updated) Ken Ham,2010-11-01 It is a rarely discussed fact of history that the premise of Darwinian evolution has been deeply rooted in the worst racist ideology since its inception This significant book gives a thorough account of the effects of evolution on the history of the United States including slavery and the Civil rights movement and goes beyond to show the global harvest of death and tragedy that still finds its roots in Darwin s destructive writings The tragic legacy of Darwins controversial speculations on evolution has led to terrible consequences taken to the deadliest extremes One Race One Blood reveals the origins of these horrors as well as the truth revealed in Scripture that God created only one race You will discover Nazi Germany used evolutionary concepts to justify the extermination of unfit people groups such as Jews Gypsies and Slavs The origins of people groups the genetics of skin color and the biblical truths on interracial marriage Eye opening discussion on racism and its roots in the hearts and minds of millions still today Within these compelling pages Dr A Charles Ware president of Crossroads Bible College and Ken Ham president of Answers in Genesis examine the historical roots of racism that have permeated evolutionary thought and the Bible s response to this disturbing issue This is a crucial and timely study that profoundly addresses the Christian worldview regarding race from a compassionate and uniquely compelling perspective      *Blood Theology* Eugene F. Rogers (Jr.),Eugene F. Rogers, Jr,2021-03-25 A recovery and rediscovery of the surprising strangeness of blood in theological especially Christian and civic discourse      *A House Without Walls: How Christ Unites His Ethnically Divided Church* Dan Crabtree,2021-11-02 In light of the heart breaking ethnic division rending America today A House Without Walls seeks to foster multi ethnic harmony in evangelical congregations by bringing Biblical clarity to current racial and ethnic conversations It uses Scripture to answer some pressing questions of our day like Are all people inherently racist Does the gospel include racial justice Does the Bible advocate for white repentance A House Without Walls attempts to realign discussions about race under the Lordship of Jesus Christ focusing on Biblical understanding and

applications It also includes extra Biblical research explaining the language and logic of current conversations about race within an aim towards confidence in engaging the prevalent cultural discourse on race The hopeful outcome of this work is listing unity among believers from diverse ethnic groups facilitated by this Scriptural study     The Lie Ken Ham,2012 Here is the revised expanded and updated edition for the 25th anniversary year Its message of biblical authority is even more relevant today This anniversary edition is an even more powerful eye opening book for the church Ken Ham once again takes the lead in pointing out the looming precipice that thousands of church leaders are rushing toward a denial of the full authority and accuracy of the Bible from its very first verse Originally published in 1987 The Lie took a bold stand which became prophetic Ken warned the church about the destructive effects of compromise with evolutionary millions of years ideas He warned that compromise in Genesis would undermine Scriptural authority in the culture and erode confidence in the infallibility of God s Word Today Christians increasingly doubt the Bible s reliability So then do those who are considering placing their faith in Jesus the Creator The issues are of critical importance when you realize that today we have Christians not only confused when it comes to Genesis and the age of the earth but now even the reality of hell Adam as a real person and Christ s own words about creation marriage and more One compromise just leads to another and it has to end if we want to leave a legacy of faith to future generations     *One Blood* John Perkins,2018-04-03 Dr Perkins final manifesto on race faith and reconciliation We are living in historic times Not since the civil rights movement of the 60s has our country been this vigorously engaged in the reconciliation conversation There is a great opportunity right now for culture to change but it cannot be done without the church The church is the heart and moral compass of a nation To turn a country away from God you must sideline the church To turn a nation to God the church must turn first Racism won t end in America until the church is reconciled first Then and only then can it spiritually and morally lead the way In this his crowning work Dr Perkins speaks honestly to the church about reconciliation discipleship and justice and what it really takes to live out biblical reconciliation

program Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more DNA Race and Reproduction helps readers inside and outside of academia evaluate and engage with the current genomic landscape It brings together expertise in law medicine religion history anthropology philosophy and genetics to examine how scientists medical professionals and laypeople use genomic concepts to construct racial identity and make or advise reproductive decisions often at the same moment It critically and accessibly interrogates how DNA figures in the reproduction of racialized bodies and the racialization of reproduction and examines the privileged position from which genomic knowledge claims to speak about human bodies societies and activities The volume begins from the premise that reproduction regardless of the means forces a confrontation between biomedical scientific and popular understandings of genetics and that those understandings are often racialized It therefore centers reproduction as both a site of analysis and an analytic lens

**Searching for Adam** Terry Mortenson, 2016-10-26 You can believe with great intellectual integrity what the Bible says about Adam and the origin and history of man Though there are a growing number of books out on Adam this one is unique with its multi author combination of biblical historical theological scientific archaeological and ethical arguments in support of believing in a literal Adam and the Fall A growing number of professing evangelical leaders and scholars are doubting or denying a literal Adam and a literal Fall which thereby undermines the gospel of Jesus Christ the Last Adam who came to undo the damaging consequences of Adam's sin and restore us to a right relationship with our Creator This book is increase your confidence in the truth of Genesis 1:11 and the gospel Enhance your understanding pertaining to the biblical evidence for taking Genesis as literal history Discover the scientific evidence from genetics fossils and human anatomy for the Bible's teaching about Adam Understand the moral spiritual and gospel reasons why belief in a literal Adam and Fall are essential for Christian orthodoxy

**One Blood for Kids** Ken Ham, 2018-08-30 Go to the heart of this cultural issue Racism cannot be solved by laws educational programs or secular science It is a sin and only God has the solution Discussions about race are too often confused with political correctness or cultural buzzwords Yet it is vital to have this difficult conversation with children in a way they can understand And God has given us a simple powerful answer in the Bible Reveals how biblical history makes clear what science is only now understanding Addresses cultural differences people groups and the science of skin tones Sweeps away the flawed evolutionary foundation of racism with God's enduring truth Apologetics powerhouse Ken Ham provides children important insight and a biblical foundation that combats the idea of human races From the Garden of Eden to our world today there is just one race the human race Once you understand that racism loses its power

**Kingdoms** Jarno Moilanen, 2025-05-13 From Flood to Fallen Kingdoms FFFK is the first truly authoritative detailed and coherent young earth creationist overview of the post flood history of the ancient Near East and the land of Israel for laypersons and scholars alike It is a unique work which does not have serious rivals in the biblical creationist book market The lack of a good and comprehensive introductory book was the main reason why I started to write the book in the first place I have made use of the best available scholarly literature Christian as well as secular The book contains a lot of my own research but it is also in very good agreement with the archaeological articles written by A J M Osgood can be read at creation com and the books of David Down Unwrapping the Pharaohs and Unveiling the Kings of Israel for example FFFK follows the absolute chronology of Floyd Nolen Jones The Chronology of the Old Testament As a Bible faithful narrative introduction to the history and archaeology of the ancient Near East From Flood to Fallen Kingdoms is far better than the existing apologetic works that come towards the genre of FFFK Evidence for the Bible by Clive Anderson and Brian Edwards

Ancient Post Flood History by Ken Johnson The World s Story 1 The Ancients by Angela O Dell for example From Flood to Fallen Kingdoms will strengthen the faith of numerous believing readers who take the Holy Scriptures seriously They will also be surprised to see how well the first five post flood centuries from Ararat to Abraham which until now have been in great darkness can be elucidated through proper interpretation of biblical and archaeological evidence **Patriotism and the Cross** Glenn M.
