Second Chance Boyfriend Monica Murphy, 2013-11-05 From breakout author Monica Murphy comes the exhilarating conclusion to Drew and Fable's story the star crossed young romance that began in *One Week Girlfriend* Lost Everything in my life can be summed up by that one sickening word My football coach blames me for our season ending losses So does the rest of the team I wasted two whole months drowning in my own despair like a complete loser And I lost my girlfriend Fable Maguire the only girl who ever mattered because I was afraid that being with me would only hurt her But now I realize that I'm the one who's truly lost without her And even though she acts like she's moved on and everything's fine I know she still thinks about me just as much as I think about her I know her too well She's so damn vulnerable all I want to do is be there to help her to hold her to love her I just need her to give me one more chance We may be lost without each other but together we're destined to find a love that lasts forever Four Years Later Monica Murphy, 2014-03-04 Bestselling author Monica Murphy winds up her sensational series with this sexy story of two college kids with nothing in common but a bunch of baggage and a burning attraction Over That about sums up everything in my life

Suspended from my college football team and forced to cut back my hours at The District bar because of my crappy grades I can't keep turning to my sister Fable and her pro football playing husband Drew to bail me out I just can't seem to find my own way Weed and sex are irresistible temptations and it's messed up that I secretly hand over money to our junkie mom A tutor is the last thing I want right now until I get a look at her Chelsea is not my type at all She's smart and totally shy I'm pretty sure she's even a virgin But when she gives me the once over with those piercing blue eyes I'm really over But in a different way I won't deny her ass is killer but it's her brain and the way she seems to crave love like no one's ever given her any that make me want her more than any girl I've ever met But what would someone as seemingly together as her ever see in a screwed up guy like me Praise for Four Years Later Another great entry into the series and a perfect way to close out what started with One Week Girlfriend As always Monica Murphy gives us such great characters giving them such depth and emotions that it's hard not to love them from the minute you meet them on the page Cocktails and Books An engaging heavily character driven new adult novel that brings us the story of a much beloved character Seamless writing flows effortlessly as Murphy sets up the plot elements and begins her story of love loss redemption and forgiveness Four Years Later was a delight to read Smexy Books Monica Murphy has created an unforgettable series Her writing is honest gritty romantic and entertaining Her characters are very real people that readers can relate to We embrace them in our hearts Their lives and stories will stay with us long after the book is finished It is no wonder that this series is an all time favorite The One Week Girlfriend series has been an amazing reading journey that has touched my heart Hesperia Loves Books Emotional and gratifying This romance was full of tension and longing Monica Murphy has another win with Four Years Later Owen and Chelsea's story was touching and passionate and is sure to make you sigh in contentment by the end Waves of Fiction What a fantastic ending to an amazing series It took my emotions on a roller coaster ride but hey all the good books do Four books and I still want more I'm not quite sure I could ever get enough of these characters They're all complex and beautifully broken in their own ways Combine that with Monica Murphy's fantastic writing skills and you always have a winner Down the Rabbit Hole It's official When it comes to NA romances and inner monologues Monica Murphy is a queen I highly recommend Four Years Later If you read the earlier books then you just have to get this one too It was wonderful to see how the earlier couples are faring but Monica Murphy had truly made this Owen's book I love it In My Room Reading *Five Days Until You* Monica Murphy, 2015-04-23 Unsure That's how I'm feeling about my entire life Just when everything's good and I have it all under control my girl Chelsea decides she's going to leave me for the summer Despite my disappointment I have to support her It's what she wants an opportunity she can't say no to and no way will I be the one to stop her I love her too much to hold her back Opportunities are happening for me too though A big one that my brother in law Drew says I can't pass up I'm working extra hard So is Chelsea It's like we don't have any time to get together We keep making the same promise only five more days until we see each other again But we keep breaking that promise Is our relationship strong enough to survive all
