of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English; slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean; emphasis on post World War II slang and unconventional English; published sources given for each entry often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge; commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1 000 new entries from the US, UK and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language. *Now Dig This* Terry Southern, 2012-11-06. *DIV* *DIV* An unforgettable chronicle of an era by one of America's wildest and most brilliant comedic and literary minds. *div* *DIV* *div* *DIV* Edited by Nile Southern and Josh Alan Friedman. *div* *DIV* Starting with his landing at the Battle of the Bulge, Terry Southern showed a knack for winding up in the world's most interesting places. He spent the fifties on the Left Bank of Paris, the sixties in mod London, and the seventies touring with the Rolling Stones. When the Beatles rolled out their famous pantheon of movers and shakers for the cover of Sgt Pepper, Terry was the only guy wearing shades. When police broke heads during the 68 democratic convention in Chicago, Southern was there to bear witness. And when Stanley Kubrick needed someone to make *Dr Strangelove* funny, there was only one man qualified for the job. *div* *DIV* *div* *DIV* As the golden age of rock n roll wound down, Southern never stopped writing and his prose never lost its trademark intensity. Filthy, fierce and relentlessly dazzling, these letters, essays, stories and interviews are an electric testament to one of the keenest wits of the twentieth century. *div* *DIV* *div* *DIV* This ebook features an illustrated biography of Terry Southern including rare photos and never before seen documents from the author's estate. *div* *div* **The Future of Marriage** Jessie Bernard, 1982-01-01. Dr Bernard examines recent research findings on the present nature of the marriage commitment and predicts a less restrictive role for women in future marriages. **Families in the U.S.** Karen V. Hansen, Anita Iltis Garey, 1998. Attempts to do justice to the complexity of contemporary families and to situate them in their economic, political and cultural contexts. This book explores the ways in which family life is gendered and reflects on the work of maintaining family and kin relationships especially as social and family power structures change over time. **Spy**, 1987-04. Smart, Funny, Fearless. It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant.

beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump **The Dixie Limited** M. Thomas Inge,2016-06-07 Flannery O Connor once noted The presence alone of Faulkner in our midst makes a great difference in what the writer can and cannot permit himself to do Nobody wants his mule and wagon stalled on the same track the Dixie Limited is roaring down Her railroading metaphor wittily captures much of the respect and unease Faulkner s example brought the worldwide community of authors Few other writers have exerted as profound an influence on literature as Faulkner Prominent literary scholar M Thomas Inge documents the scope of his influence in the twentieth century through the words of those writers themselves This collection of essays offers a survey attempting to capture exactly what Faulkner meant to his literary peers and colleagues both in the United States and abroad Inge has combed essays articles reviews letters and comments written by over forty novelists poets and playwrights about Faulkner s fiction and the power of his literary accomplishment Many major American writers sound off here as well as important figures from France England Japan and South America Some speak about his technical virtuosity and how this expertise has directly influenced them and others express the difficulties of trying to escape his example A few even criticize him for what they see as artistic failures The variety of responses demonstrate in any case that Faulkner created an unavoidable power in his own time and remains a permanent force in literature Adolescent Female Portraits in the American Novel 1961-1981 Jane S. Bakerman,Mary Jean DeMarr,2019-10-01 Originally published in 1983 this title lists and annotates reference sources which will help readers select primary materials useful in studies of the literary portraits of women and their societal roles The years 1961 to 1981 were set as boundaries for this volume because the author s initial research revealed that a twenty year span was a manageable unit because the novels published between those dates yielded abundant materials for such a reference work and because significant changes in the way portraits of adolescent females were being drawn took place during the period for example sex role stereotyping became a shade less prevalent young women s sexuality was discussed more forthrightly and some topics such as single women s pregnancies and lesbianism were treated more overtly sometimes less judgementslly The Great Shark Hunt Hunter S. Thompson,2011-09-06 The first volume in Hunter S Thompson s bestselling Gonzo Papers offers brilliant commentary and outrageous humor featuring a new introduction from award winning author and editor John Jeremiah Sullivan Originally published in 1979 the first volume of the bestselling Gonzo Papers is now back in print The Great Shark Hunt is Dr Hunter S Thompson s largest and arguably most important work covering Nixon to napalm Las Vegas to Watergate Carter to cocaine These essays offer brilliant commentary and outrageous humor in signature Thompson style Ranging in date from the National Observer days to the era of Rolling Stone The Great Shark Hunt offers myriad highly charged entries including the first Hunter S Thompson piece to be dubbed gonzo The Kentucky Derby Is Decadent and Depraved which appeared in Scanlan s Monthly in 1970 From this essay a new journalistic

movement sprang which would change the shape of American letters Thompson's razor sharp insight and crystal clarity capture the crazy hypocritical degenerate and redeeming aspects of the explosive and colorful 60s and 70s **The Routledge Dictionary of Modern American Slang and Unconventional English** Tom Dalzell, 2008-07-25 The Routledge Dictionary of Modern American Slang and Unconventional English offers the ultimate record of modern American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer lively examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided This informative entertaining and sometimes shocking dictionary is an unbeatable resource for all language aficionados out there **The New Partridge Dictionary of Slang and Unconventional English: A-I** Eric Partridge, 2006 Entry includes attestations of the head word's or phrase's usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews.com **Americans and Chinese** Francis L.
