One Teacher Doctrinal Authority In The Church:

"One Teacher" Groupe des Dombes, 2010-04-15 In this book the Groupe des Dombes a widely respected yet unofficial dialogue of Reformed Lutheran and Catholic scholars from French speaking Europe undertakes a comprehensive study of the complex issue of doctrinal authority in the church This includes the role of Scripture of confessional texts of decision making bodies and of individual persons entrusted with authority in service to the unity of faith While a number of previous ecumenical dialogues have studied the question of authority with a particular focus on the ministry of the Bishop of Rome the Groupe des Dombes lays out the complex constellation of questions that is at issue in the differing ethos of Protestant and Catholic traditions Its challenge to the churches reflects the agenda of ecumenical dialogue for decades to come *The Faith Once for All Delivered: Doctrinal Authority in Catholic Theology* Fr. Kevin L. Flannery, S.J., 2023-03-07 In the third verse of his eponymous New Testament epistle Jude exhorts his readers to contend for the faith which was once for all delivered a charge that continues to resound to the present day This collection of essays responds to the apostle's call by providing both a diagnosis of the ills of modern progressivist Catholic doctrinal and moral theology and a prescription for the safeguarding of orthodoxy via a rightly understood return to the traditional sources of theology The essays in the first part of this collection seek to answer the question What went wrong with Catholic theology since the Second Vatican Council Following a brief account of the movement in modern theology from its philosophical basis in Kant and Hegel to the nouvelle th ologie and later progressivist theologies of the twentieth century the writings of Karl Rahner Walter Kasper and Bernhard H ring are treated as representative of principal problematic trends and the concept of heresy is surveyed as it has been understood in the past and as it operates in the Church today The essays in the second part indicate the way forward for Catholic doctrinal and moral theology examining and distinguishing the orthodox use of the fontes theologiae of magisterial teachings the deposit of faith in its development the sense of the faithful sensus fidelium Sacred Scripture and Church councils and synods In its twofold attentiveness to contemporary errors in Catholic theology and to tradition based correctives *The Faith Once for All Delivered* offers an urgent and compelling summons to the sacred mission of defending doctrinal and moral orthodoxy *For the Communion of the Churches* Groupe des Dombes, 2010-12-17 Founded by Abb Paul Couturier in 1937 the Groupe des Dombes is a Protestant Catholic coalition in French speaking Europe uniting Reformed Lutheran and Catholic scholars in a common spirit of prayer dialogue and discernment Its pioneering work of reconciliation has influenced many other official ecumenical dialogues This volume presents six statements produced by the Groupe des Dombes from 1971 to 1991 which appear here together in English translation for the first time These substantial documents express the Groupe's keen insights into the renewal of theology and church life that is necessary for progress toward full ecclesial unity and they invite churches to pursue fruitful dialogue mutual understanding harmony and the hopeful vision of a future in full communion In the journey of the churches toward the unity for which Christ prayed no other informal group of

scholars has been so influential or long standing in their service as the French Groupe des Dombes We can be grateful to have this group of texts drawn together including one newly translated which have had such a historic role in developing agreements among the churches The skillful introduction makes these texts a useful resource for teaching exploring ecumenical history and providing resources for church leaders in their response to Christ's prayer that they all may be one

Jeffrey Gros FSC Memphis Theological Seminary Until now most of these Groupe des Dombes documents have not been readily accessible to English language readers We are very grateful to Catherine E Clifford for collecting these important documents and for translating the text on the papal ministry This book will help many people to progress toward the communion of the churches Joseph Famerle Catholic University of Louvain *Sex, Moral Teaching, and the Unity of the Church* Timothy F. Sedgwick, 2014-10 Respected Episcopal ethicist Timothy F Sedgwick provides an alternative viewpoint on the homosexuality debate on the proposed Anglican Covenant and on mission and ministry He deals insightfully with what he thinks is a mistaken assumption in the Church and advances a cogent argument that the church needs to be clear in forming its moral teaching whether liberal or conservative The right question Sedgwick maintains is how do we teach morals and order our life accordingly This book evolved from his work over the last decade addressing same sex issues in the national church Chapters include Homosexuality Teaching and Governance in the Episcopal Church The Anglican Covenant What are Bishops for Anglican Roman Catholic Dialogue The Unity We Seek Moral Teaching Formation and the Mission of the Church A timely and lucid treatment of the single most controversial topic in the Episcopal Church Written by a preeminent Episcopal ethicist **Vincent of Lérins and the Development of Christian Doctrine ()** Thomas G. Guarino, 2013-05-15 Winner of the 2014 Paradosis Center Book Prize The theology of Vincent of Lérins is often reduced to a memorable slogan We hold that faith which has been believed everywhere always and by everyone Thomas Guarino argues that this Vincentian canon has frequently been taken out of context This book introduces Vincent's thought and its reception in Christian history exploring Vincent's creative and innovative understanding of the development of doctrine and showing how it informed the thought of John Henry Newman Guarino contends that Vincent's theology contributes significantly to theology and ecumenism in the twenty first century The volume is the second in a series on the church fathers edited by Hans Boersma and Matthew Levering About the Series The Foundations of Theological Exegesis and Christian Spirituality series critically recovers patristic exegesis and interpretation for contemporary theology and spirituality Each volume covers a specific church father and illuminates the exegesis that undergirds the Nicene tradition *Protestant Church Polity in Changing Contexts I* Allan J. Janssen, Leo Koffeman, 2014 Church polity as a theological discipline has become increasingly aware of the challenge of contextuality due to tendencies like secularization in the global North and a renewed awareness of inherited cultural and religious traditions in the global South The ecumenical movement offers a particular framework for reflection on such developments Contexts I and Contexts II of Protestant Church Polity in Changing Contexts contain proceedings from an

international conference held in Utrecht in November 2011 Contexts I ISBN 978 3 643 90310 5 includes essays in the fields of ecclesiology church history missiology inter cultural theology and practical theology The companion Contexts II ISBN 978 3 643 90311 2 presents a number of case studies Series Church Polity and Ecumenism Global Perspectives Vol 2 The Morally Divided Body Michael Root,James J. Buckley,2012-09-01 At the same time as Catholic and evangelical Christians have increasingly come to agree on issues that divided them during the sixteenth century reformations they seem increasingly to disagree on issues of contemporary morality and ethics Do such arguments doom the prospects for realistic full communion between Catholics and evangelicals Or are such disagreements a new opportunity for Catholics and evangelicals to convert together to the triune God s word and work on the communion of saints for the world Or should our hope be different than simple pessimism or optimism In this volume eight authors address different aspects of these questions hoping to move Christians a small step further toward the visible unity of the church **Systematic Theology** Francis Schussler Fiorenza,John P. Calvin's Doctrine of Biblical Authority Abd-el-Masih Istafanous, 2010-09-06 Calvin's Doctrine of Biblical Authority offers a profound new approach to a long debated topic Istafanous draws upon Calvin's twofold structure regarding salvation to illumine the Reformer's twofold knowledge of God with particular focus on biblical authority In doing so Istafanous presents Calvin's view of biblical authority framed within modern discussions of inspiration In the 1539 edition of the Institutes and in all subsequent editions John Calvin presented justification and sanctification as the twofold grace of God He repeatedly taught this concept in all of his commentaries sermons and other writings More than any other reformer Calvin used the twofold grace to express the full relationship between justification and sanctification In the definitive edition of the Institutes 1559 Calvin introduced the concept of the twofold knowledge of God This framework has been considered by many as the ordering principle of the Institutes and all of Calvin's theology Istafanous argues that the twofold Grace inspired Calvin to introduce the concept of the twofold knowledge in 1559 Thus the twofold grace of God provides the key to understanding the twofold knowledge specifically and Calvin's theology generally

The Doctrine of Scripture Brad East, 2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church's liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church's sacred tradition in service to the gospel and redounding to the glory of the triune God

McGuckian S.J., 2021-03-22 This book proposes to offer a solution to the tension in the Church around the teaching of Pope Paul VI in *Humanae Vitae* that continues to this day The book covers the dissent that began immediately and develops a theology of magisterium that justifies dissent from non infallible teaching in the Church The book then goes on to examine the encyclical and reaches the conclusion that Pope Paul was correct in his judgment on the substantive issue but that there is a flaw in the reasoning of the encyclical that explains at least in part the on going dissent
