is one of Walter Crane's celebrated Toy Books. It contains the charming tales of Buckle My Shoe, The Gaping Wide Mouth Waddling Frog, and My Mother. As Crane himself stated in the preface to this luxuriously illustrated edition, "A pleasing romance of domestic incident runs through One Two Buckle my shoe, while the Waddling Frog shows a rich and sumptuous imagination; if one were to ask what is My Mother doing in such company, I shrewdly suspect if we knew the truth that she is really the author of both." This good-natured humour continues throughout the text and full-colour illustrations, making this a truly charming volume of children's verse. Crane (1845-1915) was an English artist and book illustrator. He is considered to be the most influential and among the most prolific children's book creators of his generation. Alongside such names as Randolph Caldecott and Kate Greenaway, he was also one of the strongest contributors to the child's nursery theme. Crane's work is characteristically colourful and beautifully detailed, taking its inspiration from the Arts and Crafts movement, of which he was a member, as well as the iconic child in the garden motif. His illustrated books are incredibly sought after today as some of the finest examples of Golden Age art. Pook Press celebrates the great Golden Age of Illustration in children's literature, a period of unparalleled excellence in book illustration from the 1880s to the 1930s. Our collection showcases classic fairy tales, children's stories, and the work of some of the most celebrated artists, illustrators, and authors.
