**The Useless Person in Immortal Cultivation is Very Arrogant** Jeffrey Sanders, 2021-02-01 A middle aged man carefully examined the five files in his hand These were the five finalists for a variety show He frowned from time to time before looking up at a young man standing uncomfortably in front of him and said Are these the five delinquents you have finally selected *Pygmalion's Chisel* Tracy

M. Hallstead, 2013-05-20 *Pygmalion s Chisel* For Women Who Are Never Good Enough by Tracy M Hallstead examines the enduring critical presence in contemporary Western culture that scrutinizes critiques and sizes women down in their daily lives despite rights gained through the centuries Pygmalion was the ancient mythical sculptor who believed that all women were essentially flawed He therefore endeavored to chisel to perfection a statue of a woman he called Galatea Like the perpetually carved and perfected Galatea women labor under Western culture s a priori assumption that they are flawed yet they are often unable to account for the self criticism and self doubt that result from this premise As Hallstead analyzes the culture s requirements for the perfect woman she traces how cultural forces permeate women s personal lives In calling for solutions she resurfaces the thinking of historical women who responded rather than reacted to the patriarchal culture that devalued them In engaging these women of the past whose struggles were eerily similar to our own Hallstead encourages a responsive feminism that becomes the clear path leading outside Pygmalion s chamber door
