Worried About the Wrong Things Jacqueline Ryan Vickery,2018-09-11 Why media panics about online dangers overlook another urgent concern creating equitable online opportunities for marginalized youth It s a familiar narrative in both real life and fiction from news reports to television storylines a young person is bullied online or targeted by an online predator or exposed to sexually explicit content The consequences are bleak the young person is shunned suicidal psychologically ruined In this book Jacqueline Ryan Vickery argues that there are other urgent concerns about young people s online experiences besides porn predators and peers We need to turn our attention to inequitable opportunities for participation in a digital culture Technical and material obstacles prevent low income and other marginalized young people from the positive community building and creative experiences that are possible online Vickery explains that cautionary tales about online risk have shaped the way we think about technology and youth She analyzes the discourses of risk in popular culture journalism and policy and finds that harm driven expectations based on a privileged perception of risk enact control over technology Opportunity driven expectations on the other hand based on evidence and lived experience produce discourses that acknowledge the practices and agency of young people rather than seeing them as passive victims who need to be protected Vickery first addresses how the discourses of risk regulate and control technology then turns to the online practices of youth at a low income minority majority Texas high school She considers the participation gap and the need for schools to teach digital literacies privacy and different online learning ecologies Finally she shows that opportunity driven expectations can guide young people s online experiences in ways that balance protection and agency

the single most critically derided subgenre in American superhero comics the bad girl comics of the 1990s which chronicled the blood soaked adventures of barely dressed and improbably proportioned action heroines for an audience of adolescent boys While not in any way attempting to rehabilitate the genre which for the most part amply deserved its reputation as sexist and borderline pornographic this book situates it within its original cultural context as the result of a matrix of influences that included third wave feminism neopaganism girl power the rise of the internet the growing popularity of manga supermodel beauty ideals and the mainstreaming of pornography It explores why and how the figure of the antiheroic physically aggressive sexually objectified heroine arose within American comics culture and the commercial and ideological factors that led to the genre s rapid rise and equally rapid decline amidst the crisis racked comics industry of the mid 1990s

Dirty Girls Come Clean Crystal Renaud,2011-04-01 You are not alone The sexual addictions of pornography and masturbation are not just men s issues They re women s issues too Research shows that 25% of Christian women are addicted to pornography But 70% of these women will never admit their struggle In Dirty Girls Come Clean Crystal Renaud aims to change these statistics and help you gain freedom from sexual addiction Why This Book So often ministries and tools for overcoming these sexual addictions are more accessible to men than they are to women Even if these ministries and tools were accessible to women they may not be as effective in giving freedom because women turn to pornography for different reasons than men do Women need a resource crafted specifically for them A Trusted Source Crystal founder of Dirty Girls Ministries and AACC certified counselor comes clean first Her story of addiction to pornography began when she was 10 years old and continued and intensified for eight years During this time of sexual addiction Crystal deceived and withdrew She came to know shame intimately and she thought she was alone in her struggle After coming clean about her sexual addiction Crystal also includes stories of other women who have come clean about theirs A Plan for Freedom Crystal is

determined to help women come clean and by God's grace and power get free Addressing both the sexual addictions themselves as well as underlying issues that cause them Crystal provides a plan for freedom using the acronym SCARS S Surrender Trusting the Healer C Confession Out of the Darkness A Accountability Restoring Our Character R Responsibility Owning My Part of the Story S Sharing God Never Wastes an Experience In addition to her plan for freedom from sexual addiction Crystal provides other resources such as personal inventories the twelve steps of sexaholics anonymous online accountability programs other books and links to recovery groups Join Crystal and many others who have claimed freedom from sexual addiction Now is your time to come clean and be free With the recent release of Crystal's book *Dirty Girls Come Clean* women now have the tools they need to fight a battle that many assume only ensnares men I can only imagine what kind of hope and encouragement this book is going to offer women who have believed for years decades that they were the only ones struggling and there was no hope for them Book review by Marsha Fisher on porntopurity.com An Excerpt from the First Chapter This book is for you the woman who feels alone in addiction to pornography I don't believe in coincidences This book is in your hands because God wants to speak some truth to you and for whatever reason He's chosen to use this book to do so The dark cloud of this addiction is far reaching Pornography addiction knows no path other than one of destruction isolation and suffocation Pornography addiction knows no creed Pornography addiction knows no gender We are all sexual beings If not you and I would not be living on this earth So to believe that pornography can only be a man's problem is not only false but it is an ignorant lie that comes from the enemy The enemy Satan deceived Even in the garden of Eden by convincing her that if she ate the forbidden fruit she would be like God She in turn offered Adam the fruit he took some and as a result of their disobedience they were expelled from the beautiful garden where they had enjoyed perfect fellowship with God Satan's goal was to destroy And the enemy has been trying to destroy women ever since From the first bite of forbidden fruit to pornography addiction the enemy will use whatever he can to deceive us and keep us ineffective for use in the kingdom of God May you find comfort in knowing that not only are you not alone in your struggle but there is hope for breaking the stronghold of this addiction And that hope comes from Jesus I write this book from a Christian point of view because it is my personal belief that Jesus is the reason I stand free from pornography today But as I said pornography addiction knows no creed Pornography affects everyone So it is my hope that the steps provided throughout this book will be beneficial to all women from all walks of life You were created for so much more than this life you've been living Life is to be lived abundantly It is time to come on out from behind the bushes Life is waiting *The Fountainhead of Chinese Erotica* Charles R. Stone, 2003-03-31 The Lord of Perfect Satisfaction Ruyijun zhuan a short work of fiction from the early sixteenth century tells the story of the Tang dynasty's notorious Wu Zetian the only woman to rule as emperor of China It is famous not for the history it relates but for its graphic sexual descriptions the first ever in a Chinese novel purportedly given from a woman's point of view Despite its renown and unmistakable influence on later writing the origins and significance of the
