Sisterhood of the Lost Cause Jennifer Lynn Gross, 2025-04-01 Historians have thoroughly documented the vast devastation of the Civil War In the attention they have paid to aspects of that destruction however one of the most obvious ramifications appears routinely overlooked Confederate widowhood Jennifer Lynn Gross's *Sisterhood of the Lost Cause* helps rectify that historical omission by supplying a sweeping analysis of women whose husbands perished in the war **Literary Rebels** Lise Jaillant, 2022 A history of creative writing programmes in British and American universities from the 1930s onwards that argues against the notion that creative writing programmes are driven by conformity **King Lear** William Shakespeare, 2023-05-23 *King Lear* is a play for our times The central characters experience intense suffering in a hostile and unpredictable world They face domestic cruelty political defeat and a stormy external environment that invades them to the skin They constantly question the meaning of their experiences as we watch their emotions range from despair to rage to unexpected tenderness and desperate hope as they are rejected even tortured Lear's daughters as in a fairy tale are three strong women The eldest two vie for sexual and political power while the youngest Cordelia is initially banished because of her plain speaking but then returns in a doomed attempt to restore her father to his throne *King Lear* has an unusual performance history It was significantly revised by Shakespeare or others between its first two publications and was then succeeded by an adaptation that softened the ending so that Lear and Cordelia survived In our own times *King Lear* is performed around the world in productions that explore its relevance to contemporary political and environmental challenges This edition offers a distinctive extended text taking the later Folio as a starting point and adding the lines that appear only

Submersed Matthew Gavin Frank, 2025-06-03 An exquisite lyrical foray into the world of deep sea divers the obsession and madness that oceans inspire in us and the story of submarine inventor Peter Madsen's murder of journalist Kim Wall a captivating blend of literary prose science writing and true crime A thrilling study of an obsession to sink below the surface to depths both metaphoric and in fact Full of wild characters and strange histories by the end we are convinced in no small part by the beauty of Frank's language that this is one of the most important stories ever told Nick Flynn author of *This Is the Night Our House Will Catch Fire* *Submersed* begins with an investigation into the beguiling subculture of DIY submersible obsessives men and women but mostly men who are so compelled to sink into the deep sea that they become amateur backyard submarine builders Should they succeed in fashioning a craft in their garage or driveway and set sail they do so at great personal risk as the 2023 fatal implosion of Stockton Rush's much more highly funded submarine *Titan* proved to the world Matthew Gavin Frank explores the origins of the human compulsion to sink to depth from the diving bells of Aristotle and Alexander the Great to the Confederate *H L Hunley* which became the first submersible to sink an enemy warship before itself being sunk during the Civil War The deeper he plunges however the more the obsession seems to dovetail with more threatening traits Following the grisly murder of journalist Kim Wall at the hands of eccentric entrepreneur Peter Madsen aboard his DIY midget submarine Frank finds himself reckoning with obsession's darkest extremes Weaving together elements of true crime the strange history of the submarine the mythology of the deep sea and the physical and mental side effects of sinking to great depth Frank attempts to get to the bottom of this niche compulsion to chase the extreme in our planet's bodies of water and in our own bodies What he comes to discover and interrogate are the odd and unexpected overlaps between the unquenchable human desire to descend into deep water and a penchant for unspeakable violence
