Allen,2020-10-28 Have you been wrestling with some deep emotion battles plagued by some painful memories or just can t seem to forgive yourself because of a few bad choices or circumstances you ve encountered throughout this life If you or someone you know are emotionally or mentally scarred by life s tough events lessons or misfortunes then Snake Bitten is written with you or them in mind It is not just an ordinary book it s also a survival tool to help us identify and deal with some of the root causes of those unvoiced unattended and untreated pains and poisons that have molded us into the person we

have become today Unfortunately there are many of us who are battling with bitterness jealousy fits of rage substance abuse or even suicidal thoughts because we have not been made aware of or equipped to deal with something called spiritual poisoning Snake Bitten helps us discover how to properly recognize and respond to spiritual snakes well before we are bitten and become their next victim or meal just as Jesus did It also helps identify the nine symptoms of spiritual poisoning when we are bitten We will look at the importance of knowing how to properly react after being bitten by treating the poison first instead of making the sometimes fatal mistake of trying to pay the snake back first for biting us We will discover the brave and victorious journey of going down the road to recovery Lastly we will learn the importance of rest after the journey Rest is a part of God s will for our lives and many of us must learn the fact that it is not a sin to receive it If this sounds like something you need or want to add to your library or life then do yourself or your loved one a favor and grab a copy of this life changing message
