Bj Cummings

Once And Future River Reclaiming The Duwamish Ruth E Kirk Books:

Once & Future River, 2016 Through photographs and words *Once and Future River Reclaiming the Duwamish* explores the complicated relationship between Seattleites and their only river Central to the indigenous settlement that preceded the city the Duwamish was critical to Seattle's founding and growth but it has paid a steep price Straightened filled with trash and toxins and generally neglected by those who benefited from it the most the river was declared a Superfund site in 2001 Long before then however some Seattleites were already trying to reclaim their river and for almost twenty years Tom Reese has documented the river landscape and the people engaged with this important place His images bring forward what might seem like contradictions a seal surfacing near an active sewage pipe a family playing at a park adjacent to a barge loaded with scrap metal a salmon swimming past a sunken tire His attentive study offers a way not to turn away from this river but rather to learn to understand the changed beauty of the Duwamish and the possibilities for its future *The River That Made Seattle* Bj Cummings, 2020-07-05 With bountiful salmon and fertile plains the Duwamish River has drawn people to its shores over the centuries for trading transport and sustenance Chief Sealth and his allies fished and lived in villages here and white settlers established their first settlements nearby Industrialists later straightened the river's natural turns and built factories on its banks floating in raw materials and shipping out airplane parts cement and steel Unfortunately the very utility of the river has been its undoing as decades of dumping led to the river being declared a Superfund cleanup site Using previously unpublished accounts by Indigenous people and settlers BJ Cummings's compelling narrative restores the Duwamish River to its central place in Seattle and Pacific Northwest history Writing from the perspective of environmental justice and herself a key figure in river restoration efforts Cummings vividly portrays the people and conflicts that shaped the region's culture and natural environment She conducted research with members of the Duwamish Tribe with whom she has long worked as an advocate Cummings shares the river's story as a call for action in aligning decisions about the river and its future with values of collaboration respect and justice **The River That Made Seattle** BJ Cummings, 2020-07-15 Restores the river to its central place in the city's history With bountiful salmon and fertile plains the Duwamish River has drawn people to its shores over the centuries for trading transport and sustenance Chief Sealth and his allies fished and lived in villages here and white settlers established their first settlements nearby Industrialists later straightened the river's natural turns and built factories on its banks floating in raw materials and shipping out airplane parts cement and steel Unfortunately the very utility of the river has been its undoing as decades of dumping led to the river being declared a Superfund cleanup site Using previously unpublished accounts by Indigenous people and settlers BJ Cummings's compelling narrative restores the Duwamish River to its central place in Seattle and Pacific Northwest history Writing from the perspective of environmental justice and herself a key figure in river restoration efforts Cummings vividly portrays the people and conflicts that shaped the region's culture and natural environment She conducted research with members of the

Duwamish Tribe with whom she has long worked as an advocate Cummings shares the river s story as a call for action in aligning decisions about the river and its future with values of collaboration respect and justice

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Once And Future River Reclaiming The Duwamish Ruth E Kirk Books**

In some sort of inundated with displays and the cacophony of instant communication, the profound energy and mental resonance of verbal beauty often fade into obscurity, eclipsed by the continuous barrage of sound and distractions. However, set within the musical pages of **Once And Future River Reclaiming The Duwamish Ruth E Kirk Books**, a fascinating perform of literary brilliance that impulses with organic emotions, lies an memorable journey waiting to be embarked upon. Composed by a virtuoso wordsmith, this magical opus manuals readers on a psychological odyssey, gently exposing the latent possible and profound impact stuck within the delicate web of language. Within the heart-wrenching expanse of this evocative analysis, we can embark upon an introspective exploration of the book is key themes, dissect their interesting writing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
