Migrating Memories

James Koranyi, 2021-12-16 Romanian Germans mainly from the Banat and Transylvania have occupied a place at the very heart of major events in Europe in the twentieth century yet their history is largely unknown This east central European minority negotiated their standing in a difficult new European order after 1918 changing from uneasy supporters of Romania to zealous Nazis tepid Communists and conciliatory Europeans Migrating Memories is the first comprehensive study in English of Romanian Germans and follows their stories as they move across borders and between regimes revealing a very European experience of migration minorities and memories in modern Europe After 1945 Romanian Germans struggled to make sense of their lives during the Cold War at a time when the community began to fracture and fragment The Revolutions of 1989 seemed to mark the end of the German community in Romania but instead Romanian Germans repositioned themselves as transnational European bridge builders staking out new claims in a fast changing world

Nighty-Nightmare James Howe, 2012-01-24 An overnight camping trip Not Harold s idea of fun Too many mosquitoes ticks and cockleburrs But when the Monroe family set out their faithful dog Harold was with them mostly because he remembered that camping could also bring s mores and toasted marshmallows Howie the other family dog and Chester the cat were also included in the trip Only Chester thought the idea was completely insane The woods he informed Harold were not only full of cockleburrs and ticks but of spirits evil spirits who prey on the innocent And on this the worst night of the year St George s Eve when all spirits are set loose who knew what could happen What Harold knew was that Chester was a well read over stimulated cat full of weird ideas He did not take Chester s worries too seriously He had s more to think about But then the Monroes set up camp near two strange men and their even stranger dog and things began to happen that made even Harold wonder Could Chester be right This begins a long night full of terrors and alarms full of Chester s horrifying tale of how Bunnacula the vampire bunny was born and came to America full of storms and a total sense of danger and at the end came surprises that even Chester could not have predicted Once again the Monroe family may be the victims of evil forces or only of Chester s strange imagination But whichever the result is suspenseful and very very funny

Osman's Dream Caroline Finkel, 2007-08-01 The definitive history of the Ottoman Empire The Ottoman Empire was one of the largest and most influential empires in world history Its reach extended to three continents and it survived for more than six centuries but its history is too often colored by the memory of its bloody final throes on the battlefields of World War I In this magisterial work the first definitive account

written for the general reader renowned scholar and journalist Caroline Finkel lucidly recounts the epic story of the Ottoman Empire from its origins in the thirteenth century through its destruction in the twentieth *Whose Love of Which Country?* ,2010-03-08 Contributors to this volume seek to reconsider the heritage of discourses of patriotism and national allegiance in East Central Europe between the sixteenth and the eighteenth centuries It results from an international research project The Intellectual History of Patriotism and the Legacy of Composite States in East Central Europe which brought together scholars to discuss the problem of patriotism in the light of the many levels of ethnic cultural and political allegiances characterizing East Central Europe in early modern times The authors analyze the complex process of the formation reception and transmission of early modern discourses of collective identity in a regional context Along these lines the contributors also seek to reconfigure the geographical focus of scholarship on this topic and integrate the Eastern European contexts into the broader European discussion *The Unitarian Register* ,1924 *The Fortnightly* ,1917 **Count Dracula Goes to the Movies** Lyndon W. Joslin,2017-04-11 First published in 1897 Bram Stoker's Dracula has never been out of print Yet most people are familiar with the title character from the movies Count Dracula is one of the most filmed literary characters in history but has he or Stoker's novel ever been filmed accurately In its third edition this study focuses on 18 adaptations of Dracula from 1922 to 2012 comparing them to the novel and to each other Fidelity to the novel does not always guarantee a good movie while some of the better films are among the more freely adapted The Universal and Hammer sequels are searched for traces of Stoker along with several other films that borrow from the novel The author concludes with a brief look at four latter day projects that are best dismissed or viewed for ironic laughs *Dimensions of the Fantastic* Daniel Ferreras Savoye,2023-05-17 Not to be confused with fantasy or the supernatural the fantastic is in actuality its own beast and perhaps the most deeply frightening of all narrative modes From Dracula and Nightmare on Elm Street to Carrie and Them the fantastic has become an ideal vehicle to denounce deep cultural dysfunctions that affect not only the way we understand reality but also how we construct it This work studies the various dimensions of the fantastic mode examining the influences of iconic authors such as H P Lovecraft and Jean Ray and addressing key narrations such as Guy de Maupassant's The Horla and Jordan Peele's Get Out It explains why the fantastic is not about ghosts or monsters but about the incomprehensible sides of our own reality and the terrifying unknown **Blackwood's Edinburgh Magazine** ,1887 *Centennial History of Cincinnati and Representative Citizens* Charles Theodore Greve,1904
