One Lord, One Faith, Second Edition Rex A. Koivisto, 2009-01-01 One Lord One Faith is a plea and plan to re envision the Church as a broad cross denominational community with a shared faith in the Christ of the Gospel It both affirms the place and inevitability of individual denominational traditions and also provides a grid from which to distinguish those denominational traditions from the core of historical orthodoxy shared by the entire Christian community The book seeks to distinguish denominationalism from sectarianism and identifies sectarianism as the true enemy of historic catholicity

Schism Christie Chui-Shan Chow, 2021-10-15 Schism is the first ethnographic and historical study of Seventh day Adventism in China Scholars have been slow to consider Chinese Protestantism from a denominational standpoint In Schism the first monograph that documents the life of the Chinese Adventist denomination from the mid 1970s to the 2010s Christie Chui Shan Chow explores how Chinese Seventh day Adventists have used schism as a tool to retain revive and recast their unique ecclesial identity in a religious habitat that resists diversity Based on unpublished archival materials fieldwork oral history and social media

research Chow demonstrates how Chinese Adventists adhere to their denominational character both by recasting the theologies and faith practices that they inherited from American missionaries in the early twentieth century and by engaging with local politics and culture This book locates the Adventist movement in broader Chinese sociopolitical and religious contexts and explores the multiple agents at work in the movement including intrachurch divisions among Adventist believers growing encounters between local and overseas Adventists and the denomination s ongoing interactions with local Chinese authorities and other Protestants The Adventist schisms show that global Adventist theology and practices continue to inform their engagement with sociopolitical transformations and changes in China today Schism will compel scholars to reassess the existing interpretations of the history of Protestant Christianity in China during the Maoist years and the more recent developments during the Reform era It will interest scholars and students of Chinese history and religion global Christianity American religion and Seventh day Adventism *Partnership Theology in Creative Access Regions* Kenneth Shreve, 2017-03-30 Strategic partnerships are on the rise around the world as denominations organizations local churches and individuals seek ways to work together to accomplish the Great Commission In this book Dr Kenneth Shreve presents research from a creative access region identifying five theological issues that impact partnership in Christian missions as well as exploring how partners interact with those theological issues Partnerships in mission are grounded in relationships relationships that flow from the Trinity and are manifested in the purpose of God the body of Christ the gifts of the Spirit and the church Through this book the body of Christ will be encouraged to strengthen cooperation and collaboration in the accomplishment of the Great Commission and achieve far more in partnership than could be done in isolation **Is My Bible the Inspired Word of God?** Edward W. Goodrick, 2007-05-15 Evangelical Christians vigorously defend the Bible as the inspired Word of God yet we limit that term just to the autographs those original writings of the Scriptures that no longer exist What does this say for the reliability of your Bible Can you honestly and truthfully claim that your Bible translation is the inspired Word of God Ed Goodrick believes that we need to adjust our thinking about inspiration a change that argues that the Bible that you actually hold in your hand is also rightly described as the inspired Word of God His enlightening discussion of the nature of God s revelation the accurate copying of these original writings the careful comparison of the manuscripts textual criticism and their translation into contemporary languages will give you a renewed confidence in the trustworthiness of your Bible Goodrick also explores the issues that surround interpreting the Bible for if it is misused by present day readers it does little good practically to assert its divine origin Ray Lubeck has sought to bring this very important work back into print for a new generation of believers who now need more than ever in this increasingly postmodern culture to learn that the Bible is worthy of your trust commitment study and confidence Though Goodrick s arguments are timeless his wording and sources have now been completely updated giving the second edition of *Is My Bible the Inspired Word of God* an easy to read style for today **Preserving Evangelical Unity** Michael J. Meiring, 2009-10-01

The greatest challenge that faces the evangelical movement is the biblical admonition to preserve the unity of the Spirit
Ephesians 4:3 The first part of *Preserving Evangelical Unity Welcoming Diversity in Non Essentials* will help you to understand why the movement is fraught with divisions over doctrinal differences 2 guide you through the necessary steps to overcome disunity 3 attempt to maintain a balance between truth and unity The second part of the book is formatted in the same style of a multiple views book Here various evangelical scholars from around the globe discuss selected theological issues that have previously led to disunity within the movement such as predestination and free will the mode of baptism and the miraculous gifts of the Spirit List of Contributors Adrio Konig Barbara Wannemacher Benjamin R Webb Jr Colin Maxwell Craig Branch Dereck F Stone Diana Valerie Alark Eric Severson James D Hernando L L Don Veinot Jr Willem Berends
