A Reasonable Response William Lane Craig, Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief. In *A Reasonable Response*, renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed, including: Why does God allow evil? How can I be sure God exists? Why should I believe that the Bible is trustworthy? How does modern science relate to the Christian worldview? What evidence do we have that Jesus rose from the dead? Utilizing real questions submitted to his popular website, ReasonableFaith.org, Dr. Craig models well-reasoned, skillful, and biblically informed interaction with his inquirers. *A Reasonable Response* goes beyond

merely talking about apologetics it shows it in action With cowriter Joseph E Gorra this book also offers advice about envisioning and practicing the ministry of answering people s questions through the local church workplace and in online environments Whether you re struggling to respond to tough objections or looking for answers to your own intellectual questions A Reasonable Response will equip you with sound reasoning and biblical truth **Taboo Tabernacle** A.W. Archer,2016-11-18 At the end of the day Taboo Tabernacle isnt just about taboo topics like sex drugs rock n roll religion politics faith witchcraft and cannabis It isnt even about science math history medicine justice or apologetics although there is much of that in it Its about connecting people to Christ in a way that can not only surprise them but can electrify them From the depths of space to the lowest sub atomic particle in the human body the sustainers fingerprint is everywhere I want to help people get so excited about Gods amazing love that they cant stop talking about it From the balanced believer to the super secularist I believe that all people suffer from false presuppositions about life and the way things are at one point or another Whether its from the way we were raised something traumatic that happened to us growing up or perhaps it is simply the default consensus opinion of the culture we are currently in we all have presuppositions some true and some false I would like all of us to start breaking down the man made walls of false presupposition that separate us today and replace them with bridges of truth and understanding from a biblical worldview that makes sense in both the physical world and spiritual realm Get ready to look at life through a whole new lens
